\$348,000 UF Drive Starts Tonight

250 Volunteer Workers
To Seek Donations
For 22 Area Agencies

"People helping people" will be the watchword for over 250 volunteer workers whose tasks will be outlined tonight at the kickoff dinner for the Tri-Cities Area United Fund 1966 campaign to raise \$348,000 for 22 agencies.

Several divisions of the drive already have begun their work to get a headstart for the first report meeting on Oct. 15, but others are geared for tonight's kickoff.

John R. Hundley, campaign chairman, began early this year to work with other United Fund leaders in developing an organization for a campaign to exceed last year's successful drive. Hundley, a vice-president of Granite City Steel Co., was co-chairman with Joseph Glik last year.

Hundley will outline his program for 200 or more volunteer workers at this evening's kickoff dinner to be held at 6:30 on the fifth floor of Granite City Steel's main office building. A reception for the volunteers will start at 5:45.

Fast-Moving Program
A spirited, fast-moving program has been arranged by William F. Hoelscher, who is in charge of the banquet arrangements. Entertainment will be by Mrs. Louis A. Dieu of Collinsville and John E. Peters of the St. Louis Municipal Opera, vocalists, and Miss Toni Garty of Lebanon, who will dance.

Carl Baczenas, publicity chairman for the drive, said, "Give the United Way" banner is to be placed across the busy Niedringhaus-Edison-20th street intersection. It may be used to fasten it without blocking the overhead traffic signal.

Also planned to publicize the campaign is a surprise "thermometer" to record the progress of the drive to be placed at a prominent location.

Last year's goal was \$335,000 was topped with contributions totaling \$337,707, and it is planned for this year's campaign to outstrip last year's.

Campaign Leaders
Hundley is being aided by Carl E. Matthias as vice-chairman, and the divisional chairmen are—John Wagner, industrial firms; Mitchell Milonski and William B. Webb Jr., industrial employees; George Reeves, commercial; Bernard Pinney, professional; William F. Hoelscher, civic; John and Mitchell; Mayor Stephen Maerz, Madison; and Mayor John E. Leavelle, Ponton Beach.

The 22 health, welfare and character building agencies of the United Fund and their allocations for 1966 follow:
YMCA, \$65,000; Boy Scouts, \$44,000; Catholic Charities, \$32,000; American Red Cross, \$30,000; Salvation Army, \$21,200; Girl Scouts, \$19,000; United Methodist Youth Services, \$18,000; Protestant Welfare, \$16,500; Mental Health, \$11,000; YMCA Teen Town, \$8,000; Health Services, \$7,500.

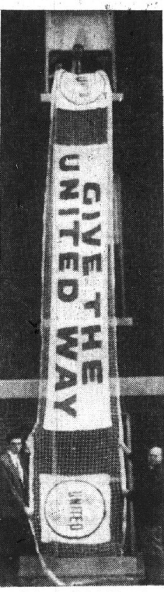

Aid to Retarded Children, \$5,000; Boy's Town of Illinois, \$5,000; Madison Teen Town, \$4,800; Visiting Nurse Association, \$4,300; Illinois Children's Home, \$4,000; Family Service Agency, \$3,000; Arthritis Foundation, \$2,000; USO, \$2,000; Society of Retired Members, \$1,800; American Branch of International Social Service, \$1,000; and Traveler's Aid Society, \$1,000.

The remaining \$42,800 is for a reserve for unpaid pledges, administration and campaign expenses.

..BIRTHS..

Births recorded at St. Elizabeth Hospital:

BOYS
Mr. and Mrs. Harry Smith, 2209a Lee avenue, Oct. 4, Scott Anthony, seven pounds.
Mr. and Mrs. Alfred Schreiber III, 3028 Ramona drive, Oct. 5, seven pounds, four ounces.
Mr. and Mrs. William McCollum, Barker Hill, Oct. 5, Leslie Dean, six pounds, 14 1/2 ounces.
Mr. and Mrs. Jerry Donnelly, 3149 Myrtle avenue, Oct. 5, Joel Andrew, eight pounds.

PUZZLING PROBLEM
On how to display a 30-foot United Fund banner being studied by Carl Baczenas (at window), campaign publicity chairman, and groundmen David Walker (left) of the YMCA staff and John Solenberger, UF executive director.

UF 'Give' Banner At Busy Corner Proves Perplexing

How to string a 30-foot United Fund banner across the busy Niedringhaus-Edison-20th street intersection without blocking the overhead traffic signal is posing a problem for the publicity committee of the 1966 campaign.

Carl Baczenas, committee chairman, and John Solenberger, UF executive director, aided by David Walker of the YMCA staff, struggled with the banner yesterday. The struggle is continuing today.

"We'll get it solved," Baczenas commented after surveying the available poles and buildings. "But I don't have the precise answer at this moment."
The 1966 United Fund campaign gets under way tonight to raise \$348,000 for 22 health, welfare and character building agencies serving the Quad-Cities area.

The initial problem arose when it was discovered that if the banner sagged from its pole support, it could block motorists' view of the traffic signal.

Andrew Carey, 62, Insurance Agent, Dies

Andrew Carey, 62, of 3712 N. Meekins road, a Prudential Insurance agent for the past 30 years, died at 11 a.m. today at St. Luke's Hospital, St. Louis, where he had been a patient three days following a heart attack.

Survivors include his wife, Mrs. Vera Carey, and a daughter, Mrs. Jo Ann Zott of Granite City. Arrangements are pending at Mercer's Funeral Home.

Jump in GC Burglaries, Thefts Last Summer

A sharp increase in burglaries and thefts were noted in Granite City during the summer months of June, July and August, compared with the same period a year ago.

\$746,600 Building Permits For Month

Construction Starts
On Downtown Office
Bldg. in Granite City

Sixty-two building permits issued in Granite City during September listed values totaling \$746,600, including one for a new office building for Dr. A. L. Lindblad, optometrist, at 1836-38 Delmar avenue, to cost \$32,300.

The total was under that of September last year when 98 permits showed values of \$893,891, but building activity showed a sharp increase over August when 80 permits had values of \$192,180.

The largest project during the month was the Granite City high school cafeteria, addition set at \$623,914.

There were for new homes, \$25,000; three for additions to homes, \$4100; 13 for garages and carports, \$11,593; 34 for remodeling and repairs, \$31,781; three for commercial, industrial purposes, \$44,000; and six for miscellaneous purposes, \$629,426, including the cafeteria. There also were two permits for razing structures, \$3600.

The Current Optic of View
The current optic of view of Kendrick & Lindblad at 1341 Nineteenth street will be closed when the new office building is ready, and eventually the name of the firm, which has offices also at Alton and East St. Louis, will be changed to Lindblad & Hawkins. Dr. Hubert Hawkins is an associate optometrist at the Granite City office.

The south end of the contractor for the 40x62-foot brick and concrete building will have two floors. The second floor will contain offices for lease but will not be finished until later. Dr. Lindblad added, "If a wall is built on the first floor, in addition to other facilities."

Plans also call for off-street parking for eight cars at the rear of the building, with a driveway leading from Delmar avenue.

17 Permits in Week
Seventeen permits were issued (Continued on Page 5, Col. 4.)

Alton Hospital Organizes Alcoholic Treatment Unit

(Picture on Page 5)

Alton State Hospital, for the first time in its history, has set up a special program for alcoholics and drug addicts. The program was announced this week by Dr. Abraham Simon, superintendent of the hospital.

The Alcoholic Treatment Center, as it has been designated is the culmination of several years of study and exploration. The hospital staff in cooperation with the Department of Mental Health Division of Alcoholism and area Alcoholics Anonymous groups, the department is under the direction of Dr. Julio Garrido.

The center has been set up in a wing section of Spruce Cottage, a ward for alcohol-bodied psychiatric patients. Women patients from female wards will be included in the treatment.

The center is staffed by three members of the professional staff. Heading the staff is Miss Nancy Dehner, social worker, who is assisted by Roger McCay, psychologist, and Mrs. Bernice Leven, nurse. Thirty-three patients are being treated. They are assisted by two physicians working part-time and two other social workers.

"HELP MY DAD" is the appeal by eight-year-old Jeff Reiter in garb that matches his father's, Granite City Fireman James Reiter. Father and son and all firemen are making their annual appeal this Fire Prevention Week.

Telegram to Kerner Answered

January Contract Award Earliest for Nameoki Road

Mayor Parney is putting a heavy circle around his January 1966 calendar. That's when the contract for the \$700,000 Nameoki road widening and improvement project is to be awarded.

Parney said the contract award was proposed Tuesday when he and other city officials went to Free Village to discuss the job for the north end of Nameoki road in 1966, Parney added, "and it looks like we might get it."

The south end of Nameoki road—from Madison avenue to Edwardsville road—also was discussed and is being geared for a 1967 construction date.

Mayor Parney and Assistant City Manager Leo Konzen are to meet with state highway officials to discuss the project.

Other projects with motor fuel tax funds scheduled for 1966 are the McCambridge avenue (Martin street) improvement in the Tri-City Park area, and the widening of Maryville road from Ponton road to the north city limits.

Mayor Parney said yesterday he finally received a reply to the Sept. 18 telegram which he and the Alton mayor sent to Gov. Kerner requesting immediate action for MFT street projects.

The reply was from Francis S. Lorenz, director of the Department of Public Works and Buildings.

"I want to inform you," Lorenz stated, "that the department intends to honor the commitment established by the joint city-state agreement (for Nameoki road) as soon as funds are available."

"Due to shortage of funds at this time, we can advertise only a limited number of projects of the many presently available state wide. A great many projects have been deferred and will be scheduled for bids as quickly as the funds become available."

"We realize the importance of your project and propose to advertise for bids at the earliest date possible."

Fire Chief Favors Aerial Ladder

Switch from Snorkel
Truck being Studied
By City Council

Whether to get a snorkel type fire truck or an aerial ladder truck is being studied by Granite City council members. At Monday night's session it was disclosed that an aerial ladder truck is being favored by Fire Chief Fronabarger.

The city last February approved an agreement with Granite City Steel Co. for the steel firm to buy the city a snorkel type truck with a 75-foot extension beam and rescue-irrigating basket in exchange for the south end appraisals already has been given. It is the city's responsibility to acquire the right-of-way.

Conference Planned
Mayor Parney, Fire Chief Fronabarger and the committee are to meet to make the recommendation to the council. Randall Robertson, attorney for Granite City Steel Co., said the firm would comply with the city's request for a change, but that it would be necessary to amend the February agreement, since it specifies a snorkel truck.

Mayor Parney pointed out that Chief Fronabarger, who was not present for Monday's meeting, favors an aerial ladder truck over a snorkel. "He believes the aerial truck would be put to greater use and would be more maneuverable," Parney told the council.

He added that Fronabarger has conferred with fire chiefs in St. Louis and Urbana and that they are of the opinion an aerial ladder truck would be more adaptable to a city the size of Granite City.

The initial price for a snorkel truck had been estimated at \$47,600 or \$48,000, but the first bids amounted to \$62,900 to \$75,000. These were later pared to \$53,000 to \$57,000. Alderman Johnson said an aerial truck would cost about the same as the snorkel.

Apply \$1000 to Truck Cost
Since the truck cost would be over the \$47,000-\$48,000 estimate, Robertson said the \$1000 payment for the two-thirds acre tract north of 21st street would be applied to the cost. The 21-1/2 tract, where five houses have been (Continued on Page 5, Col. 6.)

Wild Goose Pauses On Coolidge Campus

A Canadian 'Snow Goose' created excitement at Coolidge junior high school Tuesday morning. The bird, apparently on his way south for the winter, paused for nearly an hour on the school's front campus along busy Nameoki road.

A Press-Record photographer rushed to the scene and was greeted by Coolidge principal Ralph Frohardt. When the pair tried to photograph the bird, the goose flew directly over a girl's archery class at the Granite City high school.

The girls pushed, the principal chuckled, the bird flew gracefully and the photographer departed disheartened from his "wild goose chase."

Arthur Menendez, principal of Lake school on East 23rd street, reported this morning that a flock of about 15 geese, including several white ones, had landed early this morning on the school playground.

Levee District To Slash Work Crews

Shortage of Funds To
Force Big Reduction
For Remainder of Year

A reduction of approximately 60% in the work force of the East Side Levee and Sanitary district will be necessary within the next two weeks because of a shortage of funds.

The levee board official said yesterday the slash in payroll already has started with the lay-off of many project workers and maintenance crews, but the reduction will not show on the payroll for another two weeks because many of the workers are to receive vacation pay.

The levee district board in a meeting Wednesday morning amended its original 1965 anticipation ordinance, which provided for sale of anticipation warrants to a maximum of 60% of the 1965 tax levy, to permit sale of warrants up to 66.66% of the tax levy.

This will provide the district with an immediate \$47,400, which represents the additional 6.66% of anticipation warrants that can be sold. The 1965 tax levy amounted to \$441,724 for the general fund.

The September payroll of \$23,014 also was approved during the meeting. That payroll included 14 persons on the administration staff, 11 on the engineering staff, 17 on the police force, 29 on the maintenance crew and 17 project workers. Ben Campbell, chief clerk of the district, said the September payroll could be considered an average or normal number of workers.

*** Balance \$11,363**
The levee district, however, entered the month of October with a cash balance of only \$11,363, after paying out total disbursements of \$417,724 during September. Those disbursements included retirement of \$317,851 worth of tax anticipation warrants issued earlier in the year.

The district already has received all of the taxes due it from the four Madison county levee districts. Levee district records show that receipts during September, which totaled \$482,000, were used earlier in the year to \$76,548 from Nameoki township, \$7099 from Chouteau township, and \$2344 from Granite City.

Campbell told the Press-Record that it will be necessary to lay off "most of the workers on the projects and maintenance crews about the middle of October. He said the police force might suffer, since some funds but the engineering and administration staffs will be spared."

(Continued on Page 5, Col. 2.)

13 Undergo Surgery At Local Hospital

The following are recovering from surgery at St. Elizabeth Hospital:

James Thebaud, 3320 Terrace lane; Charles Bosworth, 1647 Fifth street; Madison; E. H. Jones, Brooklyn; Arthur Hayes, Alton; Coram Davis, East St. Louis; Freda Street, Rural Route One; Robert Shepherd, 1729 Edwardsville road, Madison.

Joseph Fedora, 2716 Idaho street; Joseph Perlee, 2457 St. Clair avenue; Kelly Ross, 1360 Richmond avenue; Edward Prusak, 121 Reynolds street; Madison; Dorothy Ely, 1601 Kirkpatrick Homes; Greg Koke, Collinsville.

Record Sales Tax Income for GC, Madison, Ponton

Granite City, Madison, Ponton Beach and the Quad City area are smashing all previous records for municipal sales tax income in 1965, judging by newly-completed reports covering the first half of the year.

The community-wide total through June 30 is \$185,753, while the best previous figure for this period was \$156,494 in January-June 1964.

Granite City sales taxes amount to \$141,803 (\$129,311 a year ago); Madison, \$22,116 (\$21,761 a year ago); and Ponton Beach, \$24,170 (\$17,910 in the first half of 1964).

Venice sales taxes through June total \$593, which was topped by the \$5621 mark in the first half of 1961, \$5881 in 1960, \$5708 in 1959, \$5707 in 1958 and \$6037 in January-June 1957.

Monthly breakdowns for 1965 follow:
Granite City—\$24,992 January, \$24,549 February, \$29,734 March, \$28,616 April, \$30,376 May and \$29,771 June. (March-June include quarterly as well as monthly returns.)

Madison—\$20,266 January, \$20,474 February, \$24,332 March, \$24,137 April, \$26,260 May and \$25,612 June.

Venice—\$335 January, \$333 February, \$430 March, \$3719 April, \$3217 May and \$4300 June. Venice—\$889 January, \$720 February, \$1018 March, \$734 April, \$861 May and \$1483 June. Ponton Beach—\$22 January, \$20 February, \$18 March, \$24 April, \$35 May and \$60 June.

Blast Furnace Workers Vote 7-1 To Accept Offer

Members of International
Cast Iron Workers Local 50 voted seven-one to accept terms of a new contract offered by Granite City Steel Co. The contract would cover about 850 employees of the blast furnace department.

Voting on the contract proposal was conducted in two meetings to accommodate workers on all shifts. Workers voted 71 to 45 in favor of accepting the agreement in last night's meeting, and 93 to 16 in favor of accepting this morning—a total vote of 364 to 48 for accepting the offer.

Richard Hamilton, business agent of Local 50, said the decision of the union membership eliminated the "one disagreement" over the economic section of the contract, "but added there still remains" considerable work to be done on revision of contract supplements.

Supplemental Sections
Hamilton said this work will consist of redefining the meaning of such supplemental sections of the contract.

Bogus \$20 Bills Circulated Here, Agents Checking

Counterfeit \$20 bills were being circulated in Granite City this week, and U. S. treasury agents are here to investigate.

Carp's Department store reported two bogus bills, according to police, while single bogus bills were reported by the Bloodworth Real Estate agency, 916 Niedringhaus avenue.

John Bloodworth said the bill received at his office apparently came from a tenant paying his rent, who received the money from a bank. The bill was discovered after the agency made a night deposit.

Bloodworth said the bill is of good quality but the lower right hand corner of the green side lists a number, 806, which does not belong there. The serial number on the bill is L4772125A.

Two Youngsters Injured Riding Horse Indian Style

Indian-style horseback riding is definitely out as far as the three Wylie youngsters are concerned, who will insist on a regular saddle from now on, instead of a blanket thrown across their mount's back.

Two of the three children sustained fractures Monday when they tumbled off a large horse they were riding at the home of friends in Ponton Beach.

The trio, Deborah, 8, Rhonda, 6, and Richard, 4, are the children of Mr. and Mrs. George Wylie, 2855 Dogwood drive. According to their mother, the youngsters had ridden the horse several times before, using a saddle, but on this occasion they were seated on a blanket, which apparently slid to one side, spilling them onto the ground.

Deborah, a second grade student at Marshall school, was treated at St. Elizabeth Hospital for a fracture to her left shoulder, while her younger sister, Rhonda, a first grader at the same school, sustained a compound fracture of her left elbow and was treated for bruises. Their brother escaped injury in the mishap.

Maeras Praises Landfill Process Seen at Convention

Mayor Stephen Maeras was impressed with a land fill demonstration performed during the Illinois Municipal League convention this week at Peoria.

At a brief meeting of the Madison city council Tuesday night, he said National Disposal Co. dug deep holes in which to deposit refuse, used dirt toppings on each load and set three feet of dirt on the top.

Madison and Venice have been considering either purchase of an incinerator for use by the two cities or use of a landfill operation for disposal of garbage and trash.

The mayor also said he was unable to learn anything new on the matter of annexation, and that municipal officials throughout the state are fearing a gradual waning of home rule due to actions by the state legislature. Madison has hit legal snags in efforts to annex East Madison, he said.

Buy 264 Street Signs
The council approved a bill for purchase of 264 street signs from the Grim Stamp and Badge Co. of St. Louis at a cost of \$1000. Included were 60 stop signs, 24 "no parking this side of street" signs, 24 slow school stop signs, 24 "slow-children playing," 48 25 miles per hour speed limit, 24 one-hour parking, 24 no parking bus zone, 24 "no parking here to corner" and 12 "no parking driveway" signs.

The council a month ago ordered the street department to conduct a survey to replace deteriorated signs in the city.

A letter of resignation was read from Lawrence F. Ashley, part-time police desk clerk during the past three summers, who announced he received a bachelor's degree from Southern Illinois University in August and has accepted a job as sales representative of the Sinclair Refining Co. of the Sinclair Refining Co.

Dr. Walter Simon, 47, Dies in Colorado

Funeral services will be conducted at 2:30 p.m. today for Dr. Walter H. Simon, 47, of Cedar-edge, Colo., who died of cancer early Tuesday morning. He is the husband of the former Miss Mary E. Mueller, daughter of Mr. and Mrs. A. J. Mueller sr., of 2901 Highway 111.

A native of Denver, Colo., Dr. Simon, a dentist, had been in ill health about two years. The family had resided in Cedar-edge for the past seven years. He was a member of the Community Methodist Church, where services and burial took place.

Besides his wife, he is survived by four sons, Eric, Garrett, Roger and Barrett, and two daughters, Maribeth and Ebbie Ann.

Mr. and Mrs. Mueller sr., and their son, A. J. Mueller jr., general manager of the Press-Record, are in Colorado for the funeral.

Sorenson to Speak at SIU-SW Campus Monday

Theodore C. Sorenson, aide to the late President John F. Kennedy, will speak on "The Kennedy Legacy" at 1 p.m. Monday in the new Lovejoy Memorial Library at the Southern Illinois University - Southwestern campus.

Major speech writer, brain-truster and confidant of the President, Sorenson was called one of the most important and influential men in Washington. He is the author of the book "Kennedy."

His appearance here is being sponsored by the program council of the University Center board and is open to the public without charge. He will speak on the same topic at 8 p.m. Sunday in the St. Louis University gym.

Mr. and Mrs. Gwin Are Grandparents

Mr. and Mrs. Robert Gwin are announcing the arrival of their second grandchild, Richard Allen Gwin.

The Gwins said their son, Robert Hill Gwin, an Airman stationed at Columbus Air Force Base with his family telephoned the announcement of the birth Tuesday of the six-pound, two-ounce boy. The Gwins live at 2633 Adams street.

Mildred. Burial took place yesterday in Edwardsville.

GO TO CHURCH SUNDAY

Venice, Madison Police Plan Halloween Dance

Tickets costing 50 cents each Venice police officers for their third annual joint Halloween

are being sold by Madison and Venice at 9 p.m. Saturday, Oct. 30, at Venice-Madison American Legion Post 207 on Broadway.

Those attending are to dress in Halloween costumes, and \$20, \$40 and \$5 prizes will be awarded following a grand march set for 9:30 p.m. An orchestra will provide music for dancing.

Daylight Saving Time Ends Sunday, Oct. 31

Quad-City residents will gain that hour of sleep they lost last spring when daylight saving time ends officially at 2 a.m. on Oct. 31.

Daylight time ends under present laws on the last Sunday of October. It started on the last Sunday in April when clocks were set ahead one hour to provide an additional hour of daylight.

Although the daylight saving time period officially ends at the hour of 2 a.m., setting clocks back one hour at bedtime will do the job.

KATHERINE GILLASPIE

Missionary Appointee To Speak Here Sunday

Miss Katherine Gillaspie, who is preparing to leave soon to teach children in mission schools of southern Africa, will be guest speaker Sunday at the 10:30 a.m. service at Central Free Methodist Church, 22nd and State streets.

Rev. James Eldredge, pastor, said Miss Gillaspie currently is a public school teacher in Springfield, Ill., and is the first missionary appointee to speak at the church.

Nuisance Charge

Elmer L. Briggs, 49, of 2333 Grand avenue, was arrested at 5 p.m. Monday on a charge of creating a nuisance filed by Jack Fricker, city inspector. Briggs was released on his own recognizance pending a hearing.

Fricker said he photographed various types of trash in the Briggs yard.

Arrested for Speeding

George Rizzle, 53, of 315 South Fourth street, Venice, was arrested by Venice police at 4:20 p.m. Tuesday on a charge of speeding. Rizzle posted a cash bond pending hearing in magistrate's court on Oct. 20.

OFFICERS AND SPEAKERS attending Tuesday night's annual meeting of the Madison-St. Clair Council of the International Reading Association were, left to right around table—Miss Virginia Segar, immediate past president; Mrs. Janet Gerkin and Miss Adeline Daloso, teachers of Hazelwood, Mo., and speakers at the session; Granite City School Supt. Russell D. Johnson; Mrs. Daisy Kennedy, president-elect and program chairman, and Dr. David Bear, president of the association.

Granite City PRESS-RECORD
Page 4 Thurs., Oct. 7, 1965

Homecoming at Oct. 23
Planned for EIU

Plans for Eastern Illinois University's Homecoming on Oct. 23 are being completed for the Charleston campus. The theme will be "The Historical World of Advertising," and floats in a parade and house decorations will bear out the theme. Events of the day will be a football game with Western Illinois University, a cross-country meet with Washington University, crowning of a queen and dance featuring Woody Herman and his band and a Homecoming play, "The Firebugs." The Air Force marching band from Hannibal is scheduled to participate in the parade.

Mrs. Perry Hospitalized

Mrs. Sheldon Perry of Collinsville, formerly of Madison, underwent minor surgery at Christian Welfare Hospital, East St. Louis, Wednesday. She will be hospitalized from ten days to two weeks.

Reading Council Holds Annual Meeting

More than 300 teachers, school administrators and parents attended the annual meeting of the Madison-St. Clair Council of the International Reading Association at the Granite City high school Tuesday night. The affair opened with a smorgasbord at 6:15 p.m. Russell D. Johnson, superintendent of schools, presented remarks of welcome. Others at the speakers' table included Dr. David Bear, reading instructor at SIU-SW and president of the association, and Mrs. Bear; Mrs. Daisy Kennedy, president-elect and program chairman; Miss Virginia Segar of Granite City, immediate past president, and Mrs. Lois Brecht, Bethalto, secretary and treasurer. Speakers were Miss Adeline Daloso and Mrs. Janet Gerkin, teachers in the Hazelwood, Mo., school system who spoke on the teaching of individualized reading. The association conducts two meetings each year to promote improvement in reading; instruction. The spring meeting will be held April 18 at Fischer's restaurant, Belleville.

Pre-Kindergarten Center To Open at 'Y' Oct. 18

A new pre-kindergarten center will be operated by the YMCA youth department beginning Oct. 18, and advanced registration will be conducted from 9 a.m. to 4 p.m. all of next week at the "Y," it was announced today. Classes will be held two mornings per week and will run two hours each day throughout the regular school year. They will be open to four-year-old children. David Walker, youth department director, said the center will be developed on the "creative instruction" concept to stimulate individual awareness and preparation for the public schools. He said it will combine traditional nursery school concepts of etiquette training, supervised play periods and directed creative activity. Included will be singing, rhythms, dramatic play, arts and crafts, social and seasonal projects, manipulative projects and a special pre-kindergarten workbook, "A Book about Me."

Teacher Background
Walker will be general director, and the principal teacher will be Mrs. William Hoelscher, 3132 Princeton drive. She holds bachelor and master degrees from the University of Illinois and has taught in public schools and at the Universities of Minnesota, Arkansas and Illinois. She also was supervisor for elementary teachers of physical education at Western Washington State University. Her varied experiences include four summers at a children's camp, a lecture series on "Creative Dance for Children" at the National Creative Arts Symposium in Seattle, Wash. The fee will be \$4 per week, payable monthly or quarterly. The program will have a rigid maximum enrollment standard, 30 children should be registered early, Walker said. Full information may be obtained by phoning the YMCA.

Venice Board Adds 4 Days to School Calendar

The Venice school board added four days to its current school calendar to comply with provisions of new state statutes at a meeting Monday night. Classes will be conducted on the Friday after Thanksgiving day, the Thursday and Friday before Christmas and the Monday after Easter. The days previously were included in vacation breaks.

It will bring the total days for the year up to 185, including three institute days, and five days among the total will provide for emergency situations when a school cannot be held, Supt. John Pier explained. Previous school calendars called for 178 teaching days, with a minimum state requirement of 177 days. The additional days were not added to the end of the school year as teacher contracts would require renegotiation, Pier said, commenting that the designated days were decided on by the teachers. Future schedules will restore holiday breaks, he said.

Contracts Awarded
Contracts were awarded to the A. H. Seebold Co., Granite City, to fill a hole at Lincoln school, situated within a foot of dirt, at a low bid of \$945; to Douglas Sheet Metal Co., Madison, for a hood and 12-inch exhaust fan for installation over three stoves at the Lincoln cafeteria at a low bid of \$244; and to ABC Electric Co., for electrical outlets, connections and wiring at the Lincoln cafeteria at a low bid of \$1360. Unsuccessful bidders were Rhodes Wrecking Co., East St. Louis, on the hole fill at \$1190; Granite Sheet Metal Co., for the hood and exhaust fan at \$318 and B. Dron Electrical Co., for the electrical work at \$1523.

An annual financial statement for the last fiscal year, approved for publication, shows the district assessed value at \$37,893,459, assessed value per pupil in average daily attendance at \$45.75, total bonded debt as of June 30, \$450,100, and value of land, \$70,000, buildings, \$1,387,948, and equipment, \$380,322. Twelve per cent of the district's bonding power is obligated.

September Attendance
An attendance report for September showed total enrollment of 883 students, including 242 at Venice high school, 390 at Venice grade school and 271 at Lincoln grade school. Total enrollment last year was 854, with an average daily attendance of 777 and an average daily enrollment of 828.17.

The daily attendance average last month was 217.86 at the high school, or 95.3%; 333.18 at the Venice grade school, or 97%; and 226.98 at the Lincoln grade school, or 96.15%. The board discussed a proposal by Pier to remodel a room with a false ceiling for a visual aids equipment room. He received one offer of \$228 to install the false ceiling and \$134 to build shelves. No action was taken. Also discussed were possible attempts to stir interest among students and the public in the school band and a proposal to band parents club, but no action was taken.

Tax Objection Hearing
Harry Hartman, school attorney, reported that tax objection cases on the building fund for 1956 and 1957 are set for hearings Oct. 18 in circuit court at Edwardsville.

Pier announced that provisions of Title I of the new federal elementary and secondary school act No. 810 were to be explained in a meeting with Wilbur Trimpe, county superintendent of schools. The board voted to attend the annual convention of the Illinois Association of School Boards to be held Nov. 20-22 at Chicago. Expenses paid by the district previously were \$125 per member. Expenses were not discussed Monday night.

The board by resolution transferred \$80,000 from the working cash fund to the educational fund.

City Seeks Bids for Supplies, Services
Sealed bids will be received until 4 p.m. Oct. 18 in the office of city comptroller John Doolter for various supplies and services.

Contracts to be let on an annual basis will be for gasoline, motor oil, grease, diesel fuel, white and yellow street marking paint, scotchite paint, interior wall paint and janitor supplies, including paper towels, tissue, floor wax, furniture polish, floor cleaner, disinfectants and mop heads and handles. Bids sought on a semi-annual basis are for service to cars and trucks, including grease jobs, oil changes, wash jobs, tire repairs and service calls for passenger cars, pickup trucks and dump trucks. Bids may be submitted on single item or as many as the bidder is able to furnish. A bid advertisement appears elsewhere in this issue.

Role of Church In Social Reforms Outlined for Club

Sweeping social reforms and the church's position in today's changing world were discussed by Rev. Arthur B. Smith, pastor of the First United Presbyterian Church of East St. Louis, who addressed the Granite City Kiwanis Club in the YMCA Tuesday afternoon.

The minister, who has been active in civic affairs in his community for years and most recently connected with several anti-poverty programs, told Rotarians of a pre-school training program, conducted jointly by his own church and the United Church of Christ and the Illinois Department of Public Aid.

Rev. Smith said the daily pre-school classes had preceded the start, a federally subsidized program, by several years. He went on to describe the experiences of two Job Corps trainees who presently work at his church.

Levee District

(Continued from Page 1.)

In answer to some newspaper criticism of clergymen participating in civil freedom movements, Rev. Smith reminded the Rotarians of Elijah P. Lovejoy, a former minister who became a newspaper editor and through his outspoken efforts accomplished much in the fight for freedom of the press, now enjoyed by the same critics who deplore "religious intervention."

Rev. Smith emphasized the role played by the United Fund in any community. He praised the efforts of its participating agencies in helping to alleviate many unfortunate conditions. He concluded by urging strong support for all United Fund projects.

The guest speaker was introduced by Rev. Dr. David B. Moxon, pastor of the First United Presbyterian Church, who served as program chairman.

William Hoebebecke, Rotary president, conducted the business meeting and several items from the Rotarian magazine were brought to the attention of the group. Attendance was discussed and it was announced that \$5.95 were present for last week's session.

Plans were completed for the annual fall barbecue and party Tuesday at the home of Mr. and Mrs. Burl Moody on Juno Hills, on U. S. By-Pass 40. The program will start at 3:30 p.m. with dinner to be served between 6:45 and 7:00 p.m. The event will replace the usual luncheon meeting. All members were urged to participate.

Collide in Venice

Auto driven by John M. Juhász of Rural Route One and Dorothy Beck of 2330 Delmar avenue were damaged at 5:54 p.m. Wednesday at Broadway and the railroad tracks in Venice. The Juhász auto was damaged in the rear end by the Beck car on the front bumper and grill.

GC Kiwanis Peanut Sale Will Be Held Oct. 15-16

Community projects undertaken by the Tri-Cities Chamber of Commerce were related by Ferd Gower, C. of C. executive secretary, who spoke Monday evening at a Granite City Kiwanis dinner meeting at the Rose Bowl restaurant.

The Chamber executive discussed the annual clean-up, paint-up program and the "get out the vote" project, both successful enterprises in the business group. He pointed out that other little-known functions are handled day-by-day in the C. of C. office.

Less publicized services include assistance to local exporters in such matters as correct procedure and in obtaining necessary documents for export trade. Gower also said on occasions his office handles complaints from consumers who are dissatisfied

with a purchase from a store. In the latter instances, he explained, the situation usually proves to be misunderstandings between the customer and the merchant, rather than any concerted misrepresentation. "They normally are clarified quickly," he said.

The club members heard plans for the annual peanut sale on Friday and Saturday, Oct. 15-16, and all Kiwanis were invited to assist in the project. Proceeds will be used to finance club-sponsored youth programs in the community.

Kiwanis president, Herbert R. Schannor, announced that a \$250 scholarship recently was presented to Mrs. Evelyn Gavin of the Granite City Association for Aid to Retarded Children, to be used to assist a college student, majoring in the field of special education.

Laundry Improved At State Hospital

An improved system of sorting and laundering wearing apparel has been put in operation at Alton State Hospital, resulting in a 90% decrease in complaints of lost articles, according to A. K. Smith, assistant superintendent.

The new method also eliminates any chance of ruining clothing through color fading because dyed articles are washed separately. The technique involves the use of nylon net bags which are colored for the purpose of identifying the contents.

The clothing is sorted at the wards, placed into the mesh bags according to its nature. Each bag, then transported to the laundry by truck. Each bag is tagged with the name of the ward from which it came.

The clothing remains in the bag for washing and drying, and eventually is deposited in the ironing room. Only there are the articles removed from the bag. As soon as they are pressed, they are packed along with the bag for return to the proper ward.

Smith said the new procedure will eliminate a large sorting board which formerly was used for keeping track of each patient's clothing. It occupied a section of the laundry. The laundry also does washing for employees residing on the grounds. It handles about 65,000 pounds of laundry a week.

The board also approved routine vouchers of \$20.91 and approved a resolution providing payment of \$468 to Homer & Shiffrin Engineering firm for inspection and supervision work, and \$75.01 to Midwest Blacktop, Inc., East St. Louis, for construction of the Venice force main. These payments will be made out of the \$1,600,000 bond fund for the Lansdowne sewer system and treatment plant.

Ebersold said he had received requests for jobs from many persons in Madison county and that Madison county "is behind in its quota" of jobs. Tolar told Ebersold that there would be no opportunity to hire anyone "until we get some money."

Ebersold said he had received requests for jobs from many persons in Madison county and that Madison county "is behind in its quota" of jobs. Tolar told Ebersold that there would be no opportunity to hire anyone "until we get some money."

STAFF MEMBERS of the new Alcoholic Treatment Center at Alton State Hospital met in Spruce Cottage where they have begun treating alcoholic patients. From the left are—Roger McCay, psychologist, Mrs. Bernice Rudin, registered nurse, and Miss Nancy Delner, who is in charge of the program.

MORE ABOUT
\$746,600
(Continued from Page 1.)

during the last week of the month with values of \$3,151, including the office building. Included in the final week were permits for a new home, issued to Raymond Lake, to build a masonry and siding house and carport at 2915 Palmer avenue, \$11,600; Ruzicki Realty Co., 2216 Madison avenue, steel/aluminum sign, \$1900.

Theatre-Goers 2nd Trip Planned by Park District

The second American Theatre trip in the Granite City park district under the theatre series is slated for Tuesday, Oct. 26, for a performance of the highly-rated, satirical adult comedy, "Luv," which was announced last week by Harold Brown, park superintendent.

Persons interested in attending the show may call the park office at TR 7-3039 to make reservations or get further information. Brown added that final reservations must be made prior to Oct. 15. A reserved seat in a

choice location, plus transportation by chartered bus will cost \$4.50 per individual, he said. Starting in "Luv" are Tom Bosley, Dorothy Loudon and Herbert Edelman. An initial trip early this week was considered a success by the park official. Additional trips will be arranged. Brown said, if public response remains favorable, future productions on the bill for the fall and winter season, including "Funny Girl," with Barbara Streisand, and Carol Channing's "Hello Dolly."

MORE ABOUT Fire Chief

(Continued from Page 1.)

alized, is located in the steel mill's North Plant area. First Ward Alderman Dallas commented that when the city exchanged the behind-the-mill streets and alleys for the snarled truck, it should have included demands for a new fire station.

A recommendation for the area of streets and alleys north of 21st street to be appraised before final approval of the ordinance was voted down by a vote of 9-3.

Only nine aldermen were present at the start of Monday night's session as the others were attending to the Illinois Municipal League convention in Peoria. Alderman Robertson, who had departed from the convention to attend the council meeting, asked at the outset of the session for an adjournment until 8 p.m. Tuesday because of the slim attendance. There was no second to his motion and the council proceeded with its business. Robertson returned after 9 p.m. to go back to the convention.

Present for the meeting were Aldermen Ruitledge, Whitmer, Johnson, Dallas, Sternberg, Thompson, Fry, Parmley and Robertson.

Those absent were Nont, Bazzich, Moerlein, Bartoski, Boyd, Poulos and Green. All except Moerlein had been granted \$150 convention expense allowance. Also present were City Clerk Homer Penland, Treasurer E. R. Rich and Street Supt. William Warfield.

Union Auxiliary Holds 2nd Meet

The second meeting of the newly-formed auxiliary of the Oil, Chemical and Atomic Workers union, Local 7-663, was held Tuesday in the Hungarian Home, with Mrs. Mildred Groboski, president, presiding.

Thomas Austin, president of Local 7-663, presented Mrs. Groboski with a gavel. Mrs. Groboski announced that Mrs. LaVerne Hamblenton, of Roxana, who was instrumental in the organization of the auxiliary, has been appointed an organizer by the AFL-CIO National Auxiliary.

Committee appointments were announced, including: refreshment, Jean Siebold, chairman, Joanne Meyers and Betty Van Eulder, telephone, Paul Clark, chairman, Betty King, Rosa Davis, Zella Poarch, Frances Rapalus and Linda Bone, membership, Ruth Johnson, chairman, and Faith Coy, shut-in, Virginia Webb, chairman, Klotie Mosby and Betty Meyer, publicity, Brenda Austin, chairman, and Florence Schall.

The group also elected Jean Siebold, Rosa Davis and Florence Schall as trustees. The auxiliary has adopted the name "Waco" which is made up of the reverse first letters of Oil, Chemical and Atomic Workers. Mrs. Groboski announced the AFL-CIO and OCAW National auxiliaries. After the close of the meeting, the group played games and refreshments were served.

Any wife, mother, sister or daughter of a Union Star & Refining Co. union employee is eligible to join the auxiliary and is asked to call Mrs. Groboski at TR 7-5087, or by attending the next meeting Tuesday, Nov. 2, at 7:30 p.m. in the Hungarian Home.

OFFICIAL GAVEL

is presented Mrs. Mildred Groboski (standing), president of the new Oil, Chemical and Atomic Workers union auxiliary at a meeting Tuesday night. Presenting the gavel is Thomas Austin, president of Local 7-663 of the OCAW.

Grid Cardinals to Aid In GC Shopping Spree

St. Louis Football Cardinals Joe Robb and Ken Gray will attempt to run off with the goods first Monday at 2 p.m. as part of a "Five Minute Shopping Spree" promotion.

The shopping spree, which will be run at the Bellemeade Village Shopping Center Tri-City Grocery, will place Leotis Stapleton, 174 Venice avenue, against the footballers in attempt to see who gets the most loot.

Stapleton, the first winner in the promotion, will have five minutes alone in the store to collect as many groceries as he desires, while Gray and Robb will each have two and a half minutes in the store to try and beat Stapleton.

If Stapleton gets more than the conditioned athletes, he will get to keep it. But, if they get more than he, he will receive their accumulation of groceries. Stapleton, who resides with his wife, three daughters and two sons, is employed by General Steel Industries as first helper on the furnace floor.

Gray is the offensive team captain of the football Cardinals while Robb is a big and burly defensive tackle.

The shopping spree is sponsored by the Tri-City Grocery Co.

Relief Cases Decline in Nameoki Township

The relief load in Nameoki township dropped sharply during September, it was reported this week at the office of Supervisor Harry Briggs.

Last month's 29 cases with 68 persons and cost of \$204, show declines from the 35 cases with 102 individuals in August. The August relief costs were \$208.

In September 1964, the relief statistics were 33 cases with 98 persons and costs of \$2615.

Total relief costs for the current fiscal year totaled \$20,419 on Sept. 30, compared to \$24,754 for the same period of 1964.

Moose Preparing For Dystrophy Fund Drive

The Moose District Ten civic affairs committee met Monday night at the Moose hall in Belleville to complete plans for placement of Muscular Dystrophy Fund contribution canisters this year. Danny Wrigley, seven-year-old Illinois MD poster child, attended.

Joseph Jackovich Jr., Moose Lodge 272 civic affairs chairman, will serve as canister chairman for the Quad-City area. Roy Luemekyer, district civic affairs chairman announced. The canisters will be distributed to business places and other public buildings to supplement the annual door-to-door canvass for funds.

Moose members are stressing that muscular dystrophy is a disease whose cause is obscure and for which no cure or effective treatment is yet known. Over a million Americans, most of them children, are affected, and few of its young victims survive to maturity. The drive allows a non-profit organization to finance medical research, maintain a national network of clinics and provide patient services.

ONE GIVE AND REDEEM EAGLE STAMPS

Niedhardt, Brake Picked As Players of Week

After a successful Friday night outing, Madison football coach Glen Pickering has singled out John Brake and Art Niedhardt as the two Trojan players of the week.

Brake, a swift halfback on the offensive team, "did an even better job for us on defense," said Pickering. Although the senior scored a touchdown in Madison's 26-13 quest of Sparta, he was credited with "quite a few key tackles" and one timely pass interception.

"There's no doubt about it," Pickering said. "He took us out of the hole several times with his alert defensive playing."

While Brake was stopping the Sparta offense, Niedhardt was knocking down Sparta's defense. The 195-pound senior right tackle

By Press-Record Staff Photographer
JOHN BRAKE

who, by the way, plays both offense and defense, tore holes in the Sparta line all night.

"His play leading and blocking was superb," said Pickering. "It sure helped us get all the yardage we did," he added. The Trojans picked up 250 yards rushing and 51 yards passing. Niedhardt's blocking on a pass play was also commended by the Trojan head mentor.

Pickering said he was pleased with the way things shaped up in the Sparta game. "On the whole, we're coming along, and the whole team is improving," he added.

The Madison Trojans, who enter Midwestern conference play Friday night, currently hold a 1-2 record for the season.

Peru Squad Uses Four GC Footballers

Four Jim Morrison-coached Granite City boys have been named to the Peru State, Nebraska, football team, Dr. Ervin R. Pitts, head football coach at the school, has announced.

The four former Warrior footballers are Nick Petrillo, Ron Yates, Doug Winfield and Chuck Mizerski. Yates is a sophomore, and the others are freshmen.

Yates played last year on the Bobcat squad, earning his varsity letter, and the Peru coaching staff has indicated he will be used at defensive end this year. "Rough and tough, Ron should have a fine year for us," Pitts said.

Ron is the brother of Terry Yates, a defensive standout on this year's Warrior team.

"Despite Petrillo's size, he could and probably will be one of the real bright spots in the Bobcat future," Pitts said, commenting on freshman Nick Petrillo. The halfback was described by Pitts as an exceptionally fine runner with good speed and an outstanding sense of balance.

Mizerski, a 220-pound freshman tackle, was labeled as "a big, strong boy who undoubtedly will be one of Peru's key offensive tackles," by Pitts. Mizerski lettered three years on the GC team.

"Winfield's a smooth-working youngster who appears to have all the potential for future top-flight signal calling," Pitts said. "We'll use him mainly on the 'B' squad this year, but he'll be a corner next year."

All four of the boys played under Morrison's supervision at Granite City high school.

Warrior Sophs Lose; Personnel Changes in Store

Granite City high school's Warriors took it on the chin and dropped a game to Collinsville 16-0 Tuesday night on the Kahlo's home field.

Two touchdowns and a field goal left the little Warriors with a loss, their second of the year against one win.

"We're going to shift personnel around in order that they might be used to better advantage," said soph back coach Leon Chappell.

"After this game, we (Chappell and line coach Babe Champlin) decided that in order to get them to hit and play ball, we'd better do some adjusting," he added.

They did not indicate particulars, but said some linemen would be converted backs and some backs would be linemen.

The soph squad will face Alton on Monday in an effort to even its season record at 2-2.

Second in Skeet Match

Kevin Pryor of Granite City placed second in a Scott Air Force Base Gun Club skeet shoot for boys 12 and under, score tallies showed this week. Pryor, 10, who lives with his parents at 1712 Ferguson avenue, hit a score of 44 out of 50 in his first skeet match. Mike Hanby of Belleville edged Pryor for first place, hitting 45 clay pigeons.

EXERCISE is the basic part of the president's physical fitness program. This picture was taken in the Granite City high school gym.

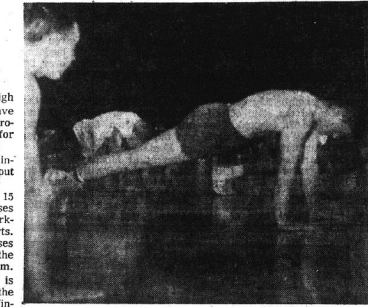

GC, Madison Students Keep Physically Fit

Granite City and Madison high schools again this year have taken up the president's program on physical fitness for high school youngsters.

Both schools have been administering the program for about four years now.

The program consists of 15 minutes of vigorous exercises each day and then a good workout at one of the many sports. The physical education classes of the two schools provide the time and place for the program.

At present, Granite City is starting touch football after the exercises. The school just finished a phase in which the students completed a cross country run every day. Madison physical education teachers are following a similar plan with their classes.

PUSH-UPS are among the many body-building exercises used in physical education classes.

Bethalto Outruns Madison Harriers

Madison's cross country team dropped its third meet of the year, 49-17, against Bethalto at Madison Tuesday night.

The Trojans' only returning letterman, Mike Varady, placed fourth behind strong Bethalto runners, with a time of 10:49. Jimmy Jackson and Wilbur Glasper placed eighth and tenth for Madison.

In the same meet, Bethalto's Jaymes dominated Madison 22-33. The Madison high varsity is now 0-3 for the season.

GC Boosters See Football Game Films

The Boosters of the Fighting Warriors viewed films and paid tribute to the late James Stuart, Granite City teacher and civic leader who died Sunday, during the club's semi-monthly meeting Tuesday evening in the YMCA.

Mr. Stuart, widely-known for his activities with the youth of the community had been a Booster member since the group was organized in 1963.

Those present were reminded of the obligation they assume with Booster membership by club president, Emerald Dawes, who said the adult organization is dedicated to supporting and encouraging the Granite City high school athletic program and its coaching staff.

Membership is open to anyone with sincere interest in any phase of the high school sports program, Dawes explained. He added that parents with students involved in athletics comprise roughly about 30% of the total club membership. Willis Shepard, membership chairman, reported an enrollment of more than 200 for the 1965-1966 school year.

Jim Morrison, GC's head football coach, presented the evening's program, which included two game films. After showing last week's Granite City triumph over Collinsville, Kahlo, Morrison said a 100% team effort had been displayed by the local squad in the 40-0 victory.

During a brief business session, preliminary plans were discussed for a dinner party later this year to welcome Ralph Sackett and Bryce Boston, now GC's basketball coaches. Mrs. Irene Dawes, ways and means chairman, reported receipts of \$223.

GC's Yates Out Indefinitely

Terry Yates, a defensive standout on the Granite City football team, has been admitted to McMillan Hospital in St. Louis and is under a specialist's care. He was treated earlier at St. Elizabeth Hospital.

Yates, who is recovering from a broken nose suffered on the last play of the Madison football game Sept. 24, is said to have had complications set in during treatment of the injury. Coach Jim Morrison said he was out indefinitely.

Nameoki Township Advances Plan for State Park Sewer

Two plans for construction of a sewer system and sewage treatment plant for State Park Place, calling for a maximum construction cost of \$282,000, will be presented to residents of the area in a public meeting to be scheduled soon, according to a decision reached by the Nameoki town board Monday night.

Harry Briggs, township supervisor, told the board that two separate financing plans have been devised, one providing for construction of the system with part of the cost obtained in a federal grant, and the other providing for construction without outside aid.

Briggs said that under the plan in which the federal government would share the cost the annual rental for use of the sewer system by residents would be \$30.30 per year, or \$3.28 per month. Under the direct-cost plan, without federal aid, the rental would amount to \$54.50 per year, or \$4.55 per month.

Total construction cost for the sewer system and treatment plant is figured at \$275,000 in either case, Briggs said, but under the plan calling for full financing by the township, an additional 10%, or \$25,000, would be added for legal and financing costs, increasing the total to \$292,000. Under this plan the township would assess \$42,000 in tap-on fees, reducing to \$240,000 the amount of money the township would have to raise through issuance of bonds.

Explains Cost
The annual amortization cost

Granite City PRESS-RECORD
Page 10 Thurs., Oct. 7, 1965

for a \$240,000 bond sale would be \$22,900 per year, he explained, which would cost residents \$54.50 per year or \$4.55 per month.

If a federal grant can be obtained, the second plan would require the township to sell only \$145,000 in bonds. Construction cost of \$257,000 would be reduced under this program by federal aid of \$106,250, leaving a balance of \$150,750, to which would be added the 10% legal fee and financing cost of \$15,250. This would make the total cost \$166,000. Since the federal government would be sharing the cost, only half the amount of tap-on fees, or \$21,000, would be assessed. This would cut to \$145,000 the amount of financing necessary.

Sale of \$145,000 in bonds would require an annual amortization payment of \$16,450 and would cost State Park Place residents \$39.20 per year, or \$3.28 per month.

Date for the public meeting was not set during Monday night's session. The matter was referred to Town Board Member Robert Strackelja who is to make arrangements for the public session.

The board Monday night also received and "filed," without official response, a letter from the Committee for Economic Development of Nameoki Township, suggesting that town officials meet with a committee from the improvement group to discuss the possibility of an overall sewer program for the township. The letter announced the appointment of a committee to work with the township on a sewer program, and said the com-

mittee believed that a program can be worked out to the benefit of the township if the citizens and town officials coordinate their efforts.

Committee Named
Members of the committee named by the improvement group include Edison Phelps, chairman, William Nichols, Alex Kurilla, Keith Hart, Willard Hicks, Gerald Voorhees, Phillip Morrison, Frank Szilag, Harold Miller, Norvell Thomure and Michael Repac.

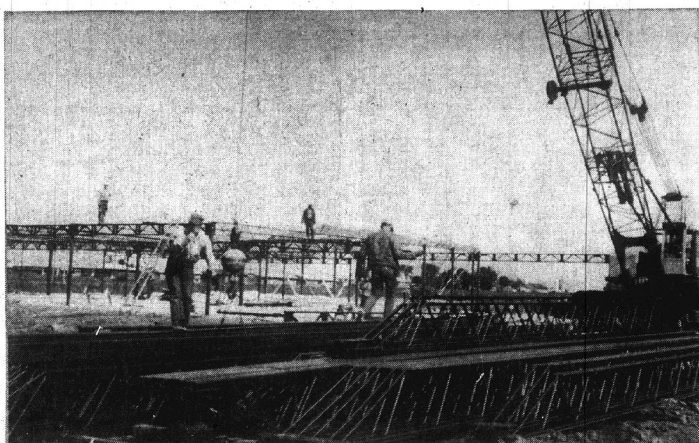

Briggs told the board that Nick Vassileff, town attorney, is checking into township statutes to determine the authority of town officials to pass dog control laws within a township. He said he learned recently that Caseyville township has such a law, under which arrests can be made of dog owners who permit pets to roam. He said such a law might be the answer to a growing dog control problem in the township.

Arrangements also are being made, he said, to determine the authority that can be given special deputies to provide additional police protection within Nameoki township. He said also that Vassileff is now preparing ordinances on control speeding and to establish stop signs in various parts of the township.

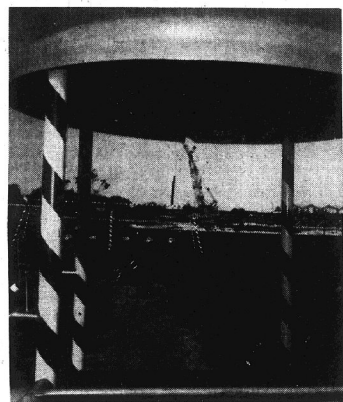

On motion of Board Member Herbert Polley, the board voted to sponsor an Explorer post, and designated Polley as advisor for establishing the post and setting up the training program. The township is to provide the meeting place and advisory personnel.

The board adjourned until Oct. 18.

7 Laclede Steel Employees Retire; 238 Years Service

Seven employees with an accumulative service record of more than two centuries have retired from Laclede Steel Company's Madison Works during 1965, it was announced today.

Accounting for a large part of the 238 years of service recorded is Alexander U. Rachitz, 62, who retired after 49 years of Laclede employment. A mill employee, Rachitz was only 13 when he joined the company. He lives at 1614 Seventh street, Madison.

Mill employee George P. Lay, 65, retired with more than 42 years of service. He lives in Brooklyn. Also retiring was

maintenance employee Clarence L. Clay, 67, 1621 Second street, Madison. He had over 38 years of service with Laclede.

Jobist shearmen Isaac Pasley, 63, retired with 37 years of service. He resides at 2830 Myrtle avenue. Mill employee Hinton Moore, 65, had accumulated the most 36 years of company service before retiring. He lives in East St. Louis.

Joist shearmen Isaac Pasley, 65, called it a career in 1965 after 19 years of service. He lives in East St. Louis. Plant guard Jess A. Hastings, 65, retired with 16 years of service. He lives at 2525 Adams street.

SIU-SW Recitals Schedule Changed

A string faculty recital scheduled for Friday at Southern Illinois University Southwest Campus, has been postponed, according to Lloyd C. Blakely, chairman of the music faculty.

Blakely said the following week's program, Baroque Chamber Players, will be held as planned on Oct. 15 at SIU-SW's Alton auditorium, and he announced that Leslie T. Breidenbach, a well-known baritone, has studied as a Fulbright scholar in Italy, and has performed professionally both in America and abroad. Among the highlights of his career were performances of Verdi's "Requiem" and the opera "Aida" under the baton of Arturo Toscanini.

Blakely also announced the cancellation of a harpsichord performance set for Oct. 22.

Elks Membership Drive
A membership drive is being launched by Granite City Lodge 1083 of the Elks under the chairmanship of A. E. "Tony" Michel, it was announced today.

Prospective candidates for membership are being contacted and recommended by current members.

Hundreds of Boy Scouts Plan Weekend Campouts

An estimated 400 to 500 Quad-City area Boy Scouts will participate in weekend camping Friday night to Sunday morning. Under the "campout" program, each troop will camp at an individually chosen site, rather than all units gathering at the same site for a camporee.

Activities are being held throughout the Quad-City Council, and it is expected to be the largest weekend of troop camping in council history.

Pontoon Beach Tavern Hit by Burglars

Loot that included 62 bottles of assorted liquor worth \$145, a \$15 radio and two boxes of cigars valued at \$11 was taken in a burglary Monday at Zamaroni's Tavern, 3898 Lake street.

Police of the Village of Pontoon Beach said entrance was gained by smashing a glass in the front door. A large number of cigars was scattered on the floor behind the bar.

McCauley Delegate
Principal Lawrence McCauley of Granite City high school represented the Granite City district at meetings in Urbana Monday through yesterday of the Illinois Association of Secondary School Principals, the Illinois High School Association and the North Central Association of Schools and Colleges. Theme was "Re-evaluating the Goals of Secondary Education."

ing on Maryville road south of Stratford lane is scheduled for use in September 1966.

Autumn Color Excursion Thru Ozarks, Oct. 20

The annual one-day autumn color excursion train over the Illinois Central Railroad out of Belleville, will be held on Sunday Oct. 24.

The excursion is being sponsored this year by the Cross of Peace, and all proceeds will go toward keeping the cross atop Bald Knob Mountain lighted.

The train will follow the old "Mud Line," one of the oldest railroads in the state, after departure from the IC station in Belleville at 9 a.m. The train will make a last stop for passengers at Carbondale before switching

onto the old line. The "Mud Line" winds through the foothills of the Illinois Ozarks under the towering cliffs of Fountain Bluff. No regular passenger trains have been run over it for more than 40 years.

At noon, the train will make a lunch stop at a park near Grand Tower, on the Mississippi River. Tickets may be obtained in person at the Belleville station or by mailing a check with a self-addressed envelope. The adult fare from Belleville will be \$4.90. Children under 12 will be admitted at half-price, and those under five, will ride free.

3-Car Bridge Crash Ties Up Rush Traffic

Donald Connor, 28, of 202 McCumbridge avenue, Madison, was involved in a three-car accident at 4 p.m. yesterday on rain-slick East St. Louis Veterans' bridge, which tied up rush hour traffic for more than an hour.

The left front fender of Connor's eastbound vehicle was struck by Michael Pappas, 71, of Decatur, who was driving his truck westbound on the East St. Louis bridge approach.

After the initial collision, Connor's car again was struck by Mrs. Agnes Hudson of East St. Louis, whose auto slid on the wet pavement, damaging the rear of Connor's vehicle. No injuries or arrests were listed.

GC Army Depot Hiring Laborers

The board of U.S. Civil Service Examiners for the Granite City Army Depot announced today that applications will be accepted from persons interested in employment at the Granite City Army Depot, for the following position with starting salaries as indicated: Laborer at \$2.24 per hour.

Information and application forms may be obtained from the executive secretary, board of U.S. Civil Service Examiners, Granite City Army Depot, or at any local post office.

District Elks Meeting

Members of Granite City Elks Lodge 1083 and their wives will attend a Southwest District Elks meeting set for Sunday at Pana, Ill.

Stroke Institute To Be Sponsored By Heart Group

The Madison County Heart Association will sponsor a "Stroke Institute" next Monday and Tuesday featuring a seminar on advanced rehabilitation techniques for persons suffering from stroke.

More than 200 professional medical personnel is expected to attend the two-day conference at Able Hall, 2812 E. Broadway, Alton. No registration fee will be charged.

New rehabilitation methods will be discussed by Mrs. Margene Nordstrom, R.N., and Mrs. Pearl Alexander, R.P.T., of the Illinois Department of Health, at Monday's session, which also will include a noon luncheon. Reservations may be placed by calling 462-7719.

Tuesday's session begins at 12:30 p.m. and is especially designed for laymen with the responsibility of stroke patients, or others interested in the subject. Psychological problems of both patients and their families and community resources will be explored during the institute.

St. Elizabeth Hospital, Madison County Medical Society, Southern Illinois University and the Tenth District, Illinois Nurses Association are among the 12 cooperating groups in the program.

Blaze in Engine Delays Passenger Train Here Today

A Gulf, Mobile & Ohio Railroad Chicago-to-St. Louis passenger train was delayed in Granite City for an hour this morning because of a fire under the engine in the third unit of both triple-header engine.

Firemen were notified of the blaze as the train approached Granite City, and an arrangement was made to meet it at the 22nd street crossing at 7 a.m.

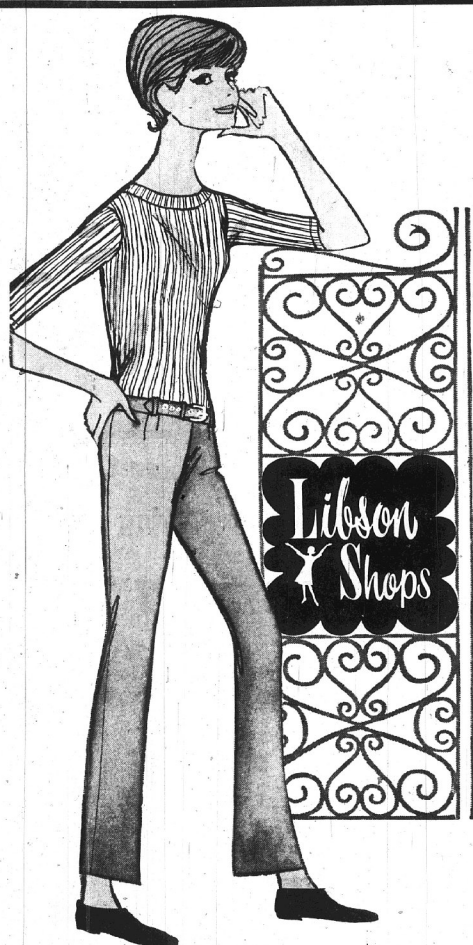

The train crew reported extinguishers were emptied in attempts to douse the flames. The pumper trucks and the ladder truck were dispatched to the crossing and firemen were on the scene an hour. The department also used all its available CO₂ and foam extinguishers before quelling the blaze.

No estimate of the damage was available from the GMSO yard superintendent in Venice, who said the engine had not yet been inspected.

The train was able to proceed with power from the other two engines.

Coins for School Usage

First Granite City Savings & Loan has provided sets of replicas of ancient coins for all teachers in the social studies department at Granite City high school. Faculty members reported this week. They will be displayed and also incorporated into world history instruction.

RECENT BRIDE. Mrs. Charles R. Svoboda Jr., the former Jeanette Cicio, a daughter of Mrs. Ann Cicio, 1239 Oriole street, Venice, and the late Gus Cicio, who was married Saturday at St. Mark's Catholic Church in Venice.

Rotary Anns Meet To Outline Year

The October meeting of the Rotary Anns took place Tuesday at the Rose Bowl.

Mrs. Walter Sons, Mrs. E. G. Schmitt and Mrs. Glenn Abernethy made up the hospitality committee.

A 12:30 luncheon was served and the business meeting followed with Mrs. William Hoebeck, president, outlining the program for the year.

Those present were Mesdames Eugene Coe, Raymond Willard, Edwin Reinagel, Jack Kullenkamp, Carl Mathias, Loren Davis, William Thoeke, Warren

MRS. RUTH ROBERTS IS CLUB HOSTESS

The S. T. Club was entertained Tuesday evening in the home of Mrs. Ruth Roberts on State street.

Ten members attended and awards in the games went to Mrs. Wilma Sackett, Mrs. Pearl Goinz, Mrs. Lillian Heinemann and Mrs. Mae Massie.

The November meeting of the group will be with Mrs. Sackett in Madison.

Decatur, Elwood Ackerman, Harvey Balke, Bernard Pinney and Hoebeck. The special prize for the day went to Mrs. Kullenkamp.

Hairdressers Hold Workshop On New 'Lively Curl' Trend

The Elite Hairdressers Association, Affiliate 33, held a meeting Monday evening at the Rose Bowl, and featured of which was a demonstration of the new trend "The Lively Curl" by Dan Zicka, an Illinois Hair Fashion committee chairman, reported on the coming National Beauty Queen contest to be held Nov. 7 at the Elk's Club and urged all affiliate members to participate.

The winner in the contest will represent the Elite Hairdressers in Peoria at the state beauty salon queen contest and various functions in 1956. Mrs. Marcella Tucker was named contest chairwoman.

The ways and means committee report was given by Mrs. Carol Kinder, chairman, and plans were made for a Christmas party Dec. 11. Mrs. Mary Batson, president, reported that the Department of Regulation and Education has a new state chief inspector, Paul Passini. Officers are to be elected at the next meeting Nov. 14 at the Rose Bowl. Forty-five were present at Monday's meeting.

Guests included Mrs. Shirley Star and Mrs. Ines Gann. Earl Parsons, hair fashion committee chairman, reported on the coming National Beauty Queen contest to be held Nov. 7 at the Elk's Club and urged all affiliate members to participate.

The winner in the contest will represent the Elite Hairdressers in Peoria at the state beauty salon queen contest and various functions in 1956. Mrs. Marcella Tucker was named contest chairwoman.

The ways and means committee report was given by Mrs. Carol Kinder, chairman, and plans were made for a Christmas party Dec. 11. Mrs. Mary Batson, president, reported that the Department of Regulation and Education has a new state chief inspector, Paul Passini. Officers are to be elected at the next meeting Nov. 14 at the Rose Bowl. Forty-five were present at Monday's meeting.

DEMONSTRATING the "Lively Curl" at a workshop held by the Elite Hair Dressers Monday is Dan Zicka, a hair fashion committee member from LaGrange, Ill. Others in the picture, left to right are—Mary Batson, president of Affiliate 33, Dorothy Line and Marcella Tucker. Serving as model is Gail Pilich.

Garden Planning is Topic For Study Club's Meeting

The home of Mrs. Harold Carson on Old Alton road was the place of meeting for the Garden Study Club Wednesday afternoon, and Mrs. Carson presented the program on "Garden Planning."

A dessert at 1 o'clock was followed by the club collect and the business hour with Mrs. W. G. Cooley, president, in charge. A letter was read announcing the luncheon for club presidents of the Fifth District Oct. 20 at the Methodist Church in Collinsville.

and the club voted to make a contribution to the Lincoln Memorial Foundation and the building fund.

Mrs. Eugene Short and Mrs. Arthur Roman reported on the recent guest day of the Thorne Garden Club in the home of Mrs. Charles Delpa at which they represented their club and other reports were heard.

Plans were made for the next meeting in the home of Mrs. H. E. Lynch.

Others attending Wednesday's meeting were Mrs. Pearl Anderson, Mrs. Abner Branding, Mrs. C. E. Eads, Mrs. E. H. Theis, and Mrs. August Theis.

After the meeting the group enjoyed a tour of the garden of their hostess.

Boy Scout Troop 15, sponsored by the Fraternal Order of Eagles, met Monday evening in a Court of Honor to recognize all members who have advanced in rank since last spring. New officers of the Mothers' Auxiliary were installed.

The evening opened with the presentation of the colors and a short business meeting preceded the Court, during which plans were completed for troop participation in the council-wide camporee over the coming weekend.

Scoutmaster James Spinks introduced the newly-elected Mothers' Auxiliary officers—Mrs. Shirley Gitch, president; Mrs. Jackie Spinks, vice-president; Mrs. Mary Earls, secretary; and Mrs. Barbara Gagich, treasurer.

Mrs. Gitch welcomed the guests and announced her committee appointments.

The retiring officers were also honored at the meeting. They were Mrs. Mary Tarpoff, president; Mrs. Deloris Vogeler, vice-president; Mrs. Melba Tarpoff, secretary; and Mrs. Deloris Rapp, treasurer.

Convening the court, Spinks presented each boy receiving rank advancement to assistant Scoutmaster Alex Tarpoff, who awarded badges and gave each boy a gold miniature pin of his new rank to present to his mother.

Those advancing to Life Scouts were Jim Spinks, Robert Swan and Jon Tarpoff, new Star Scout rank members were Eric Cruse, Harry Hillman, Norman Gitch, John Gagich, David Hudson and David Roulard. Monte Lyons advanced to Second Class Scout and new Tenderfoot members are Bob Miller, Steve Hileman and Victor Reznack. The ceremony closed with the retiring of the colors after which the Mothers' Auxiliary served refreshments.

Maecenas to Assist Needy

The Maecenas Society met Tuesday evening in the home of Mrs. Jim Corbin, 1947 Joy avenue, for its first meeting of the new year. Mrs. Corbin, president, presided, with reports submitted by officers, and a collection of usable clothing was made to be distributed to local welfare agencies for needy families.

The evening's prize was awarded to Mrs. James Flaherty, with proceeds from an auction being retained for the club's treasury.

Mrs. Corbin announced that the guest speaker for the next meeting on Nov. 2 will be Miss Jo L. Brown, 3324 Red Bud avenue, and Claude McWhirter of Burbank, Calif.

The ceremony took place in Las Vegas, Sept. 24. The couple will reside in Burbank.

Refreshments were served to those named and Mesdames William Brewer, James DeWitt, James Kelahan, Ed Lurion, Victor Shanta, William Sage and Roger Grotenfeldt.

Attends Sorority Convention

Mrs. Joyce Albers has returned from Chicago where she attended the Illinois State convention of Epsilon Sigma Alpha sorority as a delegate from Beta Phi chapter.

Beta Phi chapter received three outstanding awards. They were first in rushing; second in history and special recognition in educational programs and outstanding chapter reporting. Another local chapter, Epsilon Eta, was third in scrap book competition and received special recognition in educational programs and chapter reporting.

Mrs. Albers was appointed to serve on the Illinois Council as ESA Home senior member.

The guest speaker at the meeting was Mrs. Doris Stafford of Arizona, international junior past president.

Many international and state officers and representatives attended the meeting from the states of Minnesota, Missouri, Indiana, Kansas, Wisconsin and Arizona, as well as Illinois.

ART STUDY GROUP of the local American Association of University Women viewed this mural of an Acapulco, Mexico, scene by Eugene Alassi, who is pictured, during a tour last week. Further visits to artists' homes are planned.

McWHIRTER-GATLIN MARRIAGE ANNOUNCED

Announcement has just been made of the marriage of Mrs. Verda Gatlin, 3324 Red Bud avenue, and Claude McWhirter of Burbank, Calif.

The ceremony took place in Las Vegas, Sept. 24. The couple will reside in Burbank.

Refreshments were served to those named and Mesdames William Brewer, James DeWitt, James Kelahan, Ed Lurion, Victor Shanta, William Sage and Roger Grotenfeldt.

Church Women Workshop Friday

The Illinois Council of Churches and United Church Women will hold the Southwestern area workshop at St. Peter United Church of Christ Friday.

There will be duplicate workshops in the afternoon at 1:15 and in the evening at 7 o'clock. This will enable each person to session.

Granite City PRESS-RECORD

Thurs., Oct. 7, 1955 Page 13

attend the two meetings or either the afternoon or evening session. The fee will be \$2.50 and included will be the price of dinner at 6 p.m. and a workshop kit.

Two films, "The Captive" and "Almost Neighbors," will be shown after the afternoon session.

GO TO CHURCH SUNDAY

Refreshments were served to those named and Mesdames William Brewer, James DeWitt, James Kelahan, Ed Lurion, Victor Shanta, William Sage and Roger Grotenfeldt.

RICH'S LADIES' APPAREL

1302 Nineteenth Street, Granite City

OPEN MONDAY AND FRIDAY NIGHT

OFFICERS INSTALLED by Mother's Auxiliary of Boy Scout Troop 15. Left to right—Mrs. Mary Tarpoff, president; Mrs. Jackie Spinks, vice-president; Mrs. Mary Earls, secretary; and Mrs. Barbara Gagich, treasurer.

MADISON

MRS. LENNA WILLIAMS
1638 Sixth Street — TR 7-4317

OCTOBER CLUB MEETING
Mrs. Virginia Schreiber, president of the Madison Ladies Democratic club, presided over a monthly meeting Monday evening at the Sportsman's club. A social which is being held by the club was discussed along with other business.

A social time followed, with the hostesses, Mrs. Nettie Gonsky, Mrs. Veronica Kula and Mrs. Hazel Swiger, serving refreshments to Mrs. Josephine Knezevich, Mrs. Juanita Brown, Mrs. Laverne Harris, Mrs. Caroline Preuth, Mrs. Elizabeth Wisniewski, Mrs. Dorothy O'Dell, Mrs. Sally Maera, Mrs. Mary Brudick, Mrs. Violet Bader, Mrs. Geneva Blumenstock, Mrs. Mary Hlava, Mrs. Marie Stawar, Mrs. JoAnn Timko, Mrs. Sharon Dennis, Mrs. Sophie Dennis, Mrs. Ann Blazczak, Mrs. Judy DeBray and Mrs. Cora Barr.

Mrs. Tura Grove, mother of Mrs. Brown, was a guest for the evening.

MRS. HINSON HOSTESS
Mrs. Hazel Hinson was hostess to the Po-Ke-No club in her home, 1530 Third street, all day Tuesday. The players arrived during the morning hours and enjoyed a lunch served by the hostess, with games played prior to and after the lunch.

Mrs. Hinson was the winner for the day. Others playing were Mrs. Hazel Swiger, Mrs. Nettie Gonsky, Mrs. Veronica Kula, Mrs. Marie Stawar and Mrs. Betty Allen. Mrs. Allen will be hostess in two weeks.

FIDELIS CLASS ELEVENTH
MRS. DORIS HARGRAVE

The Fidelis Sunday school class of First Baptist church met in the home of Mrs. Doris Hargrave, 1677 Fourth street, Tuesday for a monthly meeting. Mrs. Bonnie Bridges, president, presided and it was decided to change the meeting night to the second Monday of each month. Next regular meeting will be Nov. 8 in the home of Mrs. Treva Williams.

An election of officers was held, with Mrs. Doris Hargrave named president; Mrs. Bonnie Bridges, vice-president; Mrs. Colleen Eynoff, secretary; Mrs. Betty Barnett, class historian; and Mrs. Mary Lassman, Mrs. Daisy Barnett, Mrs. Betty Barnett and Ann Redman, group captains.

The new officers will be installed at the next meeting. Plans were made for a "hobo" party in the educational building of the church Oct. 16 for members of the class and their families.

A devotional on "Leadership" was presented by Mrs. Barnett, with a discussion following the topic. Present were those mentioned and Mrs. Sue Jones, Mrs. Treva Williams and club members. Mrs. Naomi James. Refreshments were served by the hostess.

PLAN SCOUT CEREMONY
Mrs. Janet Werner, Mrs. Winnie Sasyk and Mrs. Maryetta Wanbaugh met with Girl Scouts of Troop 46 Monday in the cafeteria of St. Mary's school.

Plans for a dedication ceremony in which the scouts will receive their pins have been made for Oct. 25. Mothers of the girls will be invited to attend. Mrs. Werner spoke to the girls on the Juliette Louie fund.

NINTH BIRTHDAY
Club cons of St. Mary's Pack 47, Den One, met Monday afternoon with the leader, Mrs. Kathleen Karpowicz. Refreshments were served and projects were discussed and worked on by the boys.

The ninth birthday of Aloysius Karpowicz was observed during the meeting period.

Friday '11 9 P.M. — TR 4-1932

Those taking part were Keith McMillen, David Warchol, Robert Dittman, Eric and Robert Mooshagian, Steve McCune, Keith McGarrahan, Larry Butkovich and the den chief, Kevin McGarrahan. The meeting was closed with a living circle. The boys will meet again Monday.

SCOUT REDEDICATION
Junior Girl Scout Troop Three met Monday at Louis Baeher school with the leader, Mrs. Bernadine Weidner for a candle-light re-dedication ceremony.

Mothers who were guests for the event were Mrs. Adrienne Warchol, Mrs. Elvera Stagner, Mrs. Thea Shelly and Mrs. Lorraine Grimes. Mrs. Jackie Frizzell, neighborhood chairman, assisted Mrs. Weidner with the ceremony. Myrna Verrett was a guest for the afternoon; she is a transfer scout from another troop.

Final plans were made for the group to take a trip Friday. The girls will elect patrols at the next meeting and make plans for the months ahead.

The meeting was closed with "Taps" by Sharon Serini, Sally Grimes, Rebecca and Christy Stiel, Janice Warchol, Peggy Stagner, JoAnn Weidner, Pat Malone, Laura Pasquas, Gloria Reeves, Laura Niehaus, Debbie Kelly, Gale Chastain, Kathy Wilson and Linda Nixon.

HERE FROM CALIFORNIA
Mr. and Mrs. Charles Ashley and Mrs. Tura Grove of Torrance, Calif., are guests in Madison and Granite City at present and plan to stay through the Thanksgiving holidays. They are guests of Mr. and Mrs. Wensel Brown and their families and of Mr. and Mrs. William Gushoff and their families. Mrs. Grove is the mother of Mrs. Brown and Mrs. Ashley. Ashley is a brother of Mrs. Gushoff.

PAST NOBLES MEET
The Past Noble Grand club of Delray 786 Rebekahs met Tuesday evening in the home of Mrs. Dorothy Gregory, 2800 Dale avenue. Mrs. Pearl Serini was co-hostess for the monthly meeting. Mrs. Elsie Vance, president, presided over a short business meeting, after which a social hour was enjoyed. Plans for a Christmas party were made during the meeting.

Those present were Mrs. Lilian Heister, Mrs. Alice Gray, Mrs. Minnie Perry, Mrs. Ruth Hannebrink, Mrs. Leora Rogers, Mrs. Chloe Maxon and Miss Margaret Brown. Mrs. Linda Smallie and Miss Charlotte Stajduhar were guests.

REBEKAHS PRESENT TRAVELING PIN
Delray 786 Rebekah 10 d e members traveled to Wood River to present a traveling pin to the Wood River lodge Monday evening.

Those taking part were the noble grand, Mrs. Louise Eberold, Mrs. Edna Foster, Mrs. Estella McBride, Mrs. Belle Clemens, Mrs. Elsie Vance, Mrs. Virginia Gail and Mr. and Mrs. Charles Veach. Cakes baked by the members were served.

Mrs. Lorraine Gonterman, Mrs. Nellie Barger, Mrs. Sophie Greene, Mrs. Julia Voloski and Mrs. Helen Kuback, members of the Social Six Canasta club, enjoyed an evening out with dinner and a theatre visit in St. Louis in place of the regular game session Tuesday. Mrs. Barger invited the members to her home in Collinsville for the meeting on Nov. 2.

Den Two of St. Mary's Cub Pack 47 met Monday with the leader, Mrs. George Stentzer. Refreshments were served and projects were discussed and worked on by the boys.

The ninth birthday of Aloysius Karpowicz was observed during the meeting period.

K. C.'s to Observe Columbus Day Sunday
Tri-City Council 1068 of the Knights of Columbus will observe Columbus Day on Sunday with a corporate communion at the 7:30 a.m. Mass at St. Mary's Church, Madison, followed by a breakfast in the parish hall for members and their wives and friends.

At 10:15 a.m. Tuesday, a Co-sponsor Day address received by John W. McDevitt of New Haven, Conn., supreme knight, will be broadcast by radio. Plans also are being made to hold a commemorative service in honor of the deceased members of the council on Nov. 21.

REV. MARTIN C. WARTH
Professor from Brazil
To Speak Here Sunday

Rev. Professor Martin C. Warth of Concordia Seminary in Porto Alegre, Brazil, will speak Sunday at the 10:15 a.m. service at Concordia Lutheran Church. His topic will be "We Move in Brazil."

Rev. Warth is a native Brazilian, a graduate of the Seminary in which he holds the chair of systematic theology. Currently he is on leave from the Seminary to study toward his doctorate in Sacred Theology at Concordia Seminary in St. Louis. Besides addressing the congregation Sunday he will present a slide lecture to the Bible classes at 9 a.m. on the Lutheran Church in Brazil. Concordia church supports the foreign mission work of its church body, the Lutheran Church-Missouri Synod in 32 nations.

SUNBEAMS BEGIN YEAR
Beginner Sunbeams of Second Baptist Church met Sunday morning during worship services. The four-year-old group met with Mrs. Betty Harvengt, leader, and Mrs. Charlene Sanders, assistant.

The group selected a new name, and will be known this year as the Pattie Box Sunbeams. The five-year-old group met with the director, Mrs. Betty Lewis, and also selected a new name—the Mary Page Sunbeams.

Mrs. Box is a Southern Baptist missionary in Singapore and Miss Page is a missionary at the Good Will Center in East St. Louis.

There were 25 children present in the two groups. Mary Page Sunbeams wrapped a gift for a member of the group who is ill at home, and it was given to her after the services.

Six-year-old Sunbeams also met at the church Tuesday afternoon with their leader, Mrs. Arlene Smith. Seven-year-old Sunbeams met with their leader, Mrs. Beverly Crown. A study of Brazil was begun and each leader told a story about the customs and products of that country. These groups meet each Tuesday at 4 p.m.

Eight-year-old World Friend Sunbeams met Tuesday with their leader, Mrs. Betty Lewis. A large number of words that the group will try to learn in the next three months also was on display.

Mrs. Lewis explained the meaning of World Friends and of some of the things that they will be doing during the year.

The group, which held a Bible quiz and listened as Mrs. Lewis told of the work of missionaries of the World Friend Society, held a birthday card to a missionary family, Mr. and Mrs. Lloyd Moon, who work in Brazil and who had birthdays in October. There were 17 present, and Mrs. Lewis told this was the largest World Friends group she had ever had.

The WMS of the church sponsors the Sunbeam groups.

ANNOUNCE BIRTH OF SON
Mr. and Mrs. Sammie Robinson, 2928 National avenue, are the parents of a son born Sept. 29 at St. Elizabeth Hospital. The baby, who weighed six pounds, 13 ounces, has been named Joseph William.

The grandparents are Mr. and Mrs. Floyd Ridgeway of Granite City and Mr. and Mrs. Lou Robinson of St. Louis.

No Arrests of Minors Said to Have Had Beer

No formal record has been made at the Madison county sheriff's office or the Granite City high school office of a reported Sept. 18 student beer party discussed in a Fort Lauderdale letter on Page 38. No arrests were made.

A Granite City high school faculty member alerted a deputy sheriff prior to the gathering and a group estimated at eight or nine couples was instructed to leave the low water dam area, some later going to an area at the end of Chouteau Slough road and to the Hartford canal. About six autos were in the original group, and a dispute developed during the evening with non-student occupants of two other cars, reports indicated.

The party followed a daytime football game. School authorities said students transported to games have been warned in advance against violating laws or school conduct rules. Illinois law designates 21 as the minimum age to drink alcoholic beverages, and also bans sales to minors. Source of the beer, allegedly consumed in small quantities by a few members of the group has not been ascertained.

Rail Passenger Cars Moved in at Depot

A string of 14 to 18 rail passenger cars was moved into the Granite City Army Depot this week.

Depot officials declined to comment on the presence of the cars.

42-Day Jail Term

Norman Graham, 31, of 2133 Washington avenue, was sentenced to 42 days in the Madison county jail at Edwardsville by Magistrate Hirsch after pleading guilty to criminal trespass to a vehicle. The complaint was filed by Floyd Crouch, 2257 Cleveland blvd.

Car Making Turn Hit

An auto driven by Glenda K. Stubbfield, 1938 Fifth street, East Madison, was struck in the rear by a pickup truck driven by Paul L. Stark, 1514 Fourth street, Madison, as she was trying to make a left turn off Edwardsville road onto 13th street at 4:40 p.m. Wednesday. Stark slid on wet pavement.

12 Hurt in Auto Accidents; Fog Adds to Hazards

Two weeks' leave at home proved more dangerous than 12 months' duty in Viet Nam for Sp. 5 James Savage, 31, of 313 Allen street, whose auto collided with the side of a slow-moving freight train in dense fog shortly before 3 a.m. today at a crossing on Eagle Park road south of Highway 203.

He was one of 12 persons injured this week, there have been 21 auto accidents. Savage was released this morning from Scott Air Base Hospital, where he was treated for forehead cuts, several bruises and abrasions. He was taken initially to St. Elizabeth Hospital.

Savage said his totally demolished auto was dragged a short distance along the tracks and that he was semi-conscious when pulled out by a friend who was following him in another vehicle. Savage was alone in his car.

A 12-year veteran who has served hitchhikes in the Air Force and Army, Savage attended Lincoln high school, Venice, in Viet Nam, he was a control tower operator at an air base. He said there are no lights or crossing gates where the accident occurred and he was unable to see the train until too late.

He added that he had become used to foggy conditions in Viet Nam, but without the hazard of railroads. He is to report to Fort Rucker, Kam, Oct. 23, for further assignment.

Driver Flees, Caught

A driver involved in an injury accident at 2 a.m. today apparently was determined to avoid the consequences, but he faces two charges—driving while intoxicated and reckless driving. He is Charles Shemwell, 37, of 2549 Palm avenue, who cut into the opposite lane on Nameoki road at Washington avenue and drove into the rear of an auto driven by Jerry L. Nelson, 19, of 3120 Jull avenue, forcing him off the road.

The accident report said Shemwell then left the scene but was stopped by a third motorist, James Nowicki, 327 Reynolds street, Madison. Police arrested Shemwell and

Granite City PRESS-RECORD

Page 16 Thurs., Oct. 7, 1965

placed him in the patrol car, but he jumped out and fled along Washington avenue where he was subdued.

Nelson, who had pains to his right side, was taken to St. Elizabeth Hospital and was released. A passenger in his car, David Zeffoff, 22, of 2801 Herbert street, also suffered minor injuries.

2 Hurt in Venice
A motorist and a passenger complained of shoulder and back pains following an auto-truck collision in the 600 block of Broadway in Venice at 11 a.m. today.

A truck driven by Gilbert Culver, 28, East St. Louis, headed west on Broadway sidestepped an auto driven by Joe W. Roberts, 31, of 217 Hill street. Culver said another car, parked in front of him, causing him to swerve.

Roberts reported pains in the left shoulder and back and a passenger in his car, William Lucas, 105 Hill street, complained of a right shoulder injury.

Three Persons Injured
Three persons were injured, including two from Granite City, in a collision at 7:40 p.m. Tuesday on Highway 40 about 1½ miles west of Troy.

Admitted to St. Joseph's Hospital, Highland, were Michael Sullivan, 21, of 300 Kirkpatrick Homes; a passenger in his car, James Grady, 35, of 2940 Marshall avenue, and Paul Musenbrock, 29, of Highland, driver of the other car.

State police said Sullivan was going south on Farmosa road and drove across Highway 40 in front of the Musenbrock car. Extent of injuries was unreported at the hospital.

Complains of Pains
Ray A. Shup, 42, of Collinsville, driving a National Auto Supply Co. station wagon, complained of pains after the vehicle was hit from behind by an auto driven by Robert C. Minis, 2588 Waterman avenue, at 4:25 p.m. Tuesday at 19th street and Madison

Both vehicles were headed north on Madison, and Shup was trying to make a left turn. Minis said traffic in the other lane prevented him from avoiding the accident.

Motorcyclist Injured
Larry D. Bridges, 16, of 2819 Indiana avenue, was admitted to

Two Get Six Days

Charles King, 54, no home, and Wilbur Wallace, 2509 Twenty-fourth street, were sentenced to six days in the city jail on fighting charges Wednesday by Magistrate Hirsch. The charges were filed Sept. 14.

St. Elizabeth Hospital after a motorcycle he was riding was involved in an accident with a car driven by Orlean E. Earhart, 2901 Center street, at 3:55 p.m. Monday at 27th and Benton streets.

Bridges suffered abrasions to the left thigh, shoulder and forearm and a laceration to the back of his head requiring three sutures.

The motorcycle was headed south on Benton as Earhart attempted to turn left onto 27th street. Earhart was charged with a right-of-way violation. He was summoned for a hearing by Oct. 13.

Hurt on Bridge
Billy Ranson, 30, of St. Louis, received minor injuries at 2:35 a.m. Wednesday when the car he was driving west on the east end of McKinley bridge struck a concrete divider. Police said Ranson refused to be taken to a hospital and that his car was a total wreck. Ranson was arrested by Venice police on a charge of driving without a license.

Sue Walker, 13, of 1726 Chestnut street, complained of pains after a car in which she was riding, driven by Bonnie Hawkins of the same address, ran through a stop sign at West 22nd street and Missouri avenue and struck the left side of a car driven by Jim Pestelle, East St. Louis, at 5:25 p.m. Wednesday. A right-of-way violation was filed against the woman motorist.

Mary K. Leitner, 21, of Alton, was injured in a collision involving her car and one driven by Thomas R. Jones, 4304 Kirkpatrick Homes, at 4:50 p.m. Monday at West 21st street and Illinois avenue.

She was given treatment at St. Elizabeth Hospital for abrasions to the board and 24.6 cents for maintenance journeymen with a 20-month contract tenure. The company was offering 18-cents across-the-board, with 14.6 for maintenance journeymen, and a three-year contract period.

The company still is negotiating a new contract with the United Steelworkers of America under a contract extension that is to expire Oct. 31.

The two-week pay for National Steelworkers expired Oct. 1 and was extended to August, and later to Oct. 31. Although an agreement has been reached between large steel companies and the United Steelworkers on a national level, Granite City Steel Co. is negotiating its own contract.

The company has been paying an 11.5-cent per hour accrual for both the steelworkers and chemical workers during the negotiation periods, retroactive to May 1 for the steelworkers and to June 1 for the chemical workers.

Car Struck
A car driven by Roy W. Vermillion, Staunton, was struck from behind by another driven by Harry P. Adams, West Alton, Md. at 4:30 p.m. on Highway 3 at the A. O. Smith Corp. plant. Vermillion was stopped for traffic. Adams told police his wheels locked.

DWI Charge in Accident
Ted S. Berry, 1719 Chestnut street, was charged with driving while under the influence of alcohol after his car struck the rear and left side of an auto owned by Carl Coleman, 2205 Ohio avenue, while it was parked in front of his home at 10 p.m. Wednesday.

MORE ABOUT Blast Furnace

(Continued from Page 1)

of the contract, and that a new contract will not be signed until such revision of supplemental sections is completed.

The contract offer accepted by the union membership was submitted by company representatives last Saturday, averting a strike that had been scheduled for Tuesday morning. A two-hour strike notice was served on the company Friday night, after a 12-hour negotiation session ended in continued disagreement on wages and length of the contract.

The contract offer provides a three-year contract period with a 13-cent per hour increase across the board for all employees except maintenance journeymen. The 13-cent increase is to be retroactive to Sept. 1, while the journeymen maintenance increase of 14.6 cents is to become effective Jan. 1.

Other Benefits
The offer also provides a 2-cent increase in security benefits, general improvements in insurance and pension provisions and two-week pay for National Guardsmen or Reservists who are required to attend camp.

In the original negotiations which became deadlocked and resulted in a strike threat, the union was asking 20-cents across the board, with 14.6 for maintenance journeymen with a 20-month contract tenure. The company was offering 18-cents across-the-board, with 14.6 for maintenance journeymen, and a three-year contract period.

The company still is negotiating a new contract with the United Steelworkers of America under a contract extension that is to expire Oct. 31.

The two-week pay for National Steelworkers expired Oct. 1 and was extended to August, and later to Oct. 31. Although an agreement has been reached between large steel companies and the United Steelworkers on a national level, Granite City Steel Co. is negotiating its own contract.

The company has been paying an 11.5-cent per hour accrual for both the steelworkers and chemical workers during the negotiation periods, retroactive to May 1 for the steelworkers and to June 1 for the chemical workers.

Two Divorce Decrees Granted in Court Here

Two divorce decrees were granted today to area couples by Associate Judge Fred P. Schuman in the Granite City division of circuit court. They were issued to:

Patsy Bowman from John Bowman, both of Granite City. The couple was married Dec. 31, 1964, and separated last May. She charged drunkenness and was given custody of four children. He was ordered to pay \$130 per month child support plus quarterly clothing allowance of \$100.

Adolph Ponder from Audrey Ponder, both of Madison. They were married July 2, 1960, and separated July 10, 1964. He charged desertion and obtained custody of two children.

Special Legislative Session May Be Set
Gov. Kerner is pondering a decision on calling a special session of the state legislature, it was reported yesterday at Springfield.

Faced with an out-of-balance budget, the governor is waiting for a report from the state's finance department. He pointed out that during this year's session of the legislature, when the two-year budget was set, a part of his tax program was turned down. Rejected was a three-cent gasoline tax hike.

Stop Sign Charge Filed
Gregory L. Gregory, 478.8 Nameoki road, was charged with a stop sign violation at 1:15 a.m. today at Pontoon and Nameoki roads. He was summoned for a hearing on or before Oct. 21.

Suede Coat Missing
Herb Schermer of Schermer's Men's and Boys' shop, 1910 Delmar avenue, reported at 9:20 a.m. today that a man's suede coat valued at \$65 has been missing since Sept. 29. The theft was noticed yesterday.

Four Hubcaps Stolen
Robert Pauli, 2517 Edison avenue, reported at 6:10 a.m. today that four hubcaps were stolen off his 1962 auto while it was parked in front of his home during the night.

Jill-Nameoki Accident
Auto driven by Doris L. Hendrick, 1968 Waterman avenue, and Elsie M. Flach, 2651 East 23rd street, collided at 5:50 p.m. Wednesday at Jill avenue and Nameoki road.

'Practice' Run for Fire Prevention Week

Fire Prevention Week provided a practice session for Granite City firemen at 3:10 p.m. Monday when they were called to control a blaze that they learned had been touched off purposely to raze a shed.

The blaze at the property owned by E. F. Angle, 2313 Independence drive, was threatening a fence when firemen were summoned. Firefighters wrote the alarm off as a no-loss blaze.

Two Children Injured In Mishaps at School
Two youngsters were injured in school mishaps yesterday. They were Deborah Byrd, 13, daughter of Mr. and Mrs. Henry Byrd, 5, Briarcliff, who sustained a fracture of her right thumb when it was struck with a ball; and Robert Bury, 16, son of Mr. and Mrs. Elmo Bury, 101 Riviera drive, whose right forearm was fractured while playing football.

Both were given out-patient treatment at St. Elizabeth Hospital.

Youth's Locker Looted
Robert Pauli, 2517 Edison avenue, reported at 7 p.m. Wednesday that his wallet containing \$2 an initial ring valued at \$62 and a watch valued at \$12 were taken from his locker at Granite City high school in the afternoon.

Secretary Profession Topic of Rotary Club

Efforts of the National Secretaries Association to upgrade standards of the secretarial profession were explained to Madison Rotarians yesterday by Mrs. Lucille Butler of the local chapter. She was accompanied by another NSA member, Mrs. Twila Edmonds, and Harry Thebeau was program chairman.

Chapter activities listed included Easter Seal Society campaign aid, a Christmas party for children in court custody, National Secretary Week observance, visitation to places of employment by high school senior girls, a rummage sale set for Oct. 9 and "bosses' night" Oct. 14.

Mrs. Butler, an Army Depot secretary, praised Madison school officials for their cooperation with the NSA and the competence of secretarial students.

She said the organization is non-profit, non-union, non-partisan and non-sectarian and encourages members to seek to qualify as certified professional secretaries, based on intensive study of human relations, business law, business administration and secretarial accounting, procedures and skills.

Rotarians John Sedlack and John Lemon were honored on their birthdays.

SOCIETY
MRS. ANDERSON IS CLUB HOSTESS

Mrs. Myrtle Anderson, 5627 Lake drive, entertained the Past Board of the Club of Ann Rutledge Rebekah Lodge Tuesday at a pot luck luncheon.

A short business discussion was held and games were played after luncheon. Prizes were won by Mrs. Clara Harbig, Mrs. Joyce Bailey and Mrs. Vera Schilling.

Mrs. Ethel Petri will entertain at the next meeting.

SCHOOL DROPOUTS TOPIC OF METHODIST WOMEN

A monthly meeting of the Women's Society of Christian Service of Nameoki Methodist Church was held Monday evening at the church on Pontoon road. Mrs. Virgie Daniels opened the meeting with devotions for the 21 members and four guests present.

A vocal solo was presented by Miss Janice Seymour, accompanied at the piano by Miss Phyllis Wallace.

Mrs. Dorothy Wallace, program chairman, introduced the two guest speakers, Mrs. Clon Statton, dean of girls at Granite City high school, who spoke on "School Dropouts," and Mrs. Phillip Stassi, social worker for Madison county, whose topic was "Welfare Program."

Mrs. Mayne West, president, conducted a business meeting and announced a Week of Prayer and Self Denial at the Madison Methodist Church, Oct. 25 at 7:30 p.m. All members of Methodist churches are being invited to attend.

Refreshments were served following the meeting by Mrs. Dorothy Luckert and Mrs. Luann Briner. The group will meet again Nov. 1 at the church.

BRIDGE CLUB MEETS

The Nameoki Duplicate Bridge club met Monday for a weekly session in the home of Mrs. Sam Meyer, the director, 2832 Yale drive.

This was "master point day," and first-place honors went to Mrs. Betty Osterle and Mrs. Marie Huff, second place to Mrs. Muriel Veihl and Mrs. Helen Meyer, third place to Mrs. Golda Bieser and Mrs. Carmen Edmonds, and fourth place to Mrs. Muriel Dressel and Mrs. Betty Caldwell.

The club will meet again Oct. 11 in the home of Mrs. Meyer at 10:15 a.m. The Granite City Duplicate Bridge club will resume its meetings Sunday at 6:45 p.m. at the Elks club.

South Venice

MRS. FRED A LEATON
614 Washington Avenue
TR 6-1502

Members of the Junior Girls Auxiliary held their first meeting of the new church year Tuesday at the Venice First Baptist church. Pamela May gave the opening prayer. Mrs. Marie Zeigler, counselor, led singing of "Tell the Story to the Nation," the group's theme song.

The Junior Girls manual was discussed, and the afternoon's program was entitled, "Through the Telescope."

Refreshments were served by the counselor, and others present were Marilyn Denson and three new members, Brenda and Nancy Barr and Terry Day. Tony and Anna Day and Mollie Barr of the Sunbeam band were guests at the meeting. The next meeting will be Oct. 19.

Mrs. Ethel Dunnivant, noble grand, conducted a brief business meeting Monday evening of Rebekah Lodge 570 at the Odd Fellows hall in Venice. Reports were given.

Those attending were Miss Lucella McCoid, Mrs. Edith Custer, Mrs. Marge Purcell, Mrs. Magdalena Smith and Mrs. Marie Zeigler. The next meeting will be held Oct. 18.

Mr. and Mrs. Porter and children, David, Michael and Diane, of Columbia, Mo., were weekend guests at the home of her parents, Mr. and Mrs. Spratley, 2014 Weber street.

HOLY NAME PROJECT

Members of the Holy Name Society met Tuesday evening at the St. Mark's Church basement, with ten present and Thomas Williams, president, presiding at the business session. Rev. Fr. Michael Werning, O.F.M., gave opening prayer.

Minor repairs at the church were discussed and plans were made for the group to meet at the church at 10:30 a.m. Sunday to begin work on the project. The organization will purchase three clocks for the school classrooms. Rev. Werning gave a talk on attendance at Holy Name Society meetings. The next meeting will be held Nov. 2.

Jaycees Add 27 Members; Krause Gets Contest Award

Granite City Jaycees climaxed their 1965 membership drive at a dinner meeting last night in the Tri Mor Bowl, with the announcement that 27 young men had joined the local service club within the past month. Gradwell Krause received a \$20 award for having personally enrolled ten new Jaycees.

James Burton, Jaycee president, welcomed the newcomers. He praised the efforts of Walter Rice, who directed the month-long campaign which saw six teams compete in a concentrated drive. Burton pointed out that new members will continue to be accepted by the club even though the official campaign concluded last evening.

Winning team members who were named to share a \$40 prize for enlisting the largest quota of new members, include Herbert Siebert, captain; and Robert Scatturo, William Schutenhofer, John Lake, Leonard McGee, Clifford Jones and Grad Krause.

New Jaycees accepted by the club, include Arno Spomen, Lynn Romann, Roy Brammell, Roy Nash, Ronald Barry, Robert Francis, Guy Cooper, John Krevovich, Earl Warnhoff, David Parton, Walter Gasparovic Jr., George Crews, Lloyd Edwards, Terry Kofahl, Norman Kinder, Floyd Peterson, Jerry Williamson, David Walker, Frank Arbeiter, James Jeffries, Arthur Barker, Ronald Dillard, Daniel McGee, John Michaels, Harold Taylor, Joseph Gent and William Vaughn.

In other business, several members indicated they will attend a Jaycee state board meeting to be held in Belleville, starting tomorrow and continuing through Sunday.

Forums, committee meetings and social events, including a banquet and dance, will highlight the three-day conference. Special programs will be featured for Jaycee members. Robert Sullivan of Belleville, the Illinois Jaycee president, will preside.

State Park Deputies Approved by Sheriff

Special deputies in the State Park Place area may continue to provide police protection with recognition of the sheriff's department.

They were told Tuesday night by a Nameoki township attorney they may use their flasher lights and make arrests.

Residents of the area and other parts of Madison county recently complained about the lack of police protection by the sheriff's department, and Sheriff Barney Fraundorf advised them that day-time service was impossible because his department is understaffed.

He subsequently ordered night-riders to patrol two areas of Nameoki township, including State Park Place.

The special deputies there are Curtis Padgett, Tim Lucia and Rodney Redmond. Beam said there had been a misunderstanding with the sheriff and believed their recognition was being withdrawn.

Special deputies are unpaid volunteers and help keep order in certain places, but emergency do not issue tickets, Beam said.

Mitchell

MRS. LOIS WEEKS
129 E. Chain-of-Rocks Road
TR 6-6454

Mrs. Clayton Presley and Mr. and Mrs. James Presley and children returned Tuesday from Loretta, Tenn., where they visited Mrs. Presley's mother, Mrs. Ella Green.

Mr. and Mrs. Albert Paul returned home this week from a two-week vacation at Daytona Beach, Fla. Enroute home, they visited Mrs. Paul's parents, Mr. and Mrs. Edward Sharpe, at Terre Haute, Ind.

MRS. WEEKS SURGERY
Mrs. Lois Weeks entered St. Elizabeth Hospital today and will undergo surgery Friday.

HOSPITALIZED

Mrs. Emily Jones, 636 Barkley, was given emergency aid by Mitchell volunteer firemen Sunday when she became ill at her home. She was taken to St. Elizabeth Hospital, where she is receiving treatment.

BRIDAL SHOWER FOR BARBARA McDONALD

Miss Janet Allen and Mrs. Margaret Duncan were hostesses Monday evening at the Mitchell parish hall, honoring Miss Barbara Jean McDonald, who will become the bride of Michael SanSouci, Oct. 9 at St. John's Church.

Those present were Mrs. Fred SanSouci, Mrs. Lynn Meyer, daughter, Debbie, Mrs. Jeanette Timmons, Mrs. Karen Hutchings, Mrs. June Allen, Mrs. Betty Parizeau, Mrs. Alice Prewett, Mrs. Norma Bennett, Mrs. Dorothy McDonald, Mrs. Nona Young, Mrs. Bernice McKay, Mrs. Mary McKay, Mrs. L. J. Jones, Mrs. Loretta Worthen, Mrs. Violet Clifton, Mrs. Ann Meyer, Mrs. Hilda Sullivan, Mrs. Gladys Mayray, Mrs. Vera Whyers, Mrs. Mildred Werner, Mrs. Myrtle Brown, Mrs. Iva Burton, Mrs. Edna McRay, Mrs. Mary Nell, Mrs. Edna McRay, Mrs. Marlene Brokaw, Mrs. Barbara Fulmer and Misses Cynthia McKinnon, Mary and Pat McKay, Sharon Yelks, Eva Ashcroft and Linda Birks.

CHRISTENING LUNCHEON

JoAnn Townsend, infant daughter of Mr. and Mrs. Milton Townsend of Route One, was Christened during the worship service Sunday morning at the Trinity Methodist Church. Sponsors were Mr. and Mrs. David Brewer.

Following the Christening, Mrs. luncheon was held at the Townsend home, where gifts were presented to the baby.

THOSE PRESENT WERE MR. AND MRS. DAVID BREWER AND SON, DAVID, MR. AND MRS. CHARLES CAUSEY AND CHILDREN; MR. AND MRS. HOMER HUBER AND MR. AND MRS. CHARLES WAINWRIGHT, GRANDPARENTS OF THE BABY.

CADETTE HOBO TRIP

Cadet Girl Scout Troop 229 met with the 17 leaders, Mrs. Sarah Beadle, Mrs. Jert Schieb and Miss Karen Schieb, Tuesday evening at St. John's Church. The meeting was presided over by Donna Boyd, president.

A flag ceremony was carried out by Patrol One. A discussion was held on the troop going on a hobo trip, and plans were made to go to Camp Lakota for their Christmas party Dec. 18.

Plans also were made to entertain with a birthday party honoring Mrs. Mayne Hedrick on Oct. 18.

THOSE PRESENT AT THE MEETING WERE SHARON BONO, CATHY GIBSON, BARBARA DAVIS, BARBARA WILSON, MARILYN BESS, BARBARA MILHU, CHILLY HOLDER, DONNA BOYD, VANDER LAY, LINDA KIHU, PAMELA DONOFF, PAT JACOBS, LINDA BEADLE, SONIA FREEMAN, MRS. SARAH BEADLE, MRS. JERT SCHIEB AND MISS KAREN SCHIEB.

Pontoon Beach & Stallings

MRS. MABEL KENNERLY
3833 Lake Street
WE 1-1022

Mr. and Mrs. Glenn Foster of Shelbyville, Ill., spent Sunday visiting their daughter and son-in-law, Mr. and Mrs. William Ren and children, Marsha, Mike, Randy and Danny. Randy returned home with them for a week.

Mr. and Mrs. Charles Kennerly and children, Charlene and Edward, spent Sunday afternoon visiting their brother and sister-in-law, Mr. and Mrs. Albert Strackeljah and children, Mary Kay, Linda, Ruth and Paul, of Edwardsville.

SCOUT INVESTITURE

Junior Girl Scout Troop 453 met Tuesday evening at the school with Mrs. Judith Ren, assisted by Mrs. Nadine Taylor. The girls welcomed a new member, Sharon Cook.

The group discussed a fly-up investiture and a court of awards scheduled for next week. A game was played and the girls sang "Taps."

THOSE PRESENT WERE TERRY MILLS, MARSHA REN, CYNTHIA LEIBOLD, CYNTHIA TAYLOR, CHARLOTTE PITTS, DEBBIE BUYER, CHARLENE KENNERLY, DEBBIE MCKEAL, DEBBIE HAND, SANDY DUVALL, MARY BECKER, JEANNE CARVER, JEANETTE CRAWLEY, NANCY BECKER, SHEILA REYNOLDS AND SHARON COOK.

BOY SCOUT TROOP 23 MET TUESDAY EVENING AT THE LONG LAKE FIRE HALL WITH SCOUTMASTER BENNIE PICKER, ASSISTANT SCOUTMASTER MIKE ABERNATHY, MEL WHEELER AND FLOYD ASHOFF. THE BOYS WORKED ON ADVANCEMENT, AND ONE PATROL WAS TAUGHT FIREMANSHIP BY JACK HARPER AND JULIUS SOBZAK.

THE BOYS FINISHED PLANS FOR THE CAMPORALE, OCT. 8, 9, 10 AT CAMP RESS. PRESENT WERE GEORGE WILKINSON, CHARLES POLEY, GLENN ASHOFF, BUZZ PICKER, BENNIE PICKER, DANNY JONES, JIMMY MEADOR, STEVE MEADOR, LARRY MCCABE, PETER FOURCAULT, DANNY FOURCAULT, JEFF MORRIS, CHESTER DEAN, VAUGHN WAINWRIGHT, JOHN STUCKE, RUDY REGER, JOHN HARPER, DANNY KREHER, MARK REGER AND WILLIE ARNOLD.

Come Downtown—Attend The Mayor's "Open Forum" City Hall Monday Oct. 11.

2405 Wilson Avenue
TR 7-4670

ANNOUNCE BIRTH OF SON
Mr. and Mrs. Charles Serpas, 2309 Elm street, have announced the birth of their second child. The boy was born Oct. 1 at St. Elizabeth Hospital, Belleville, and weighed seven pounds, 15 ounces.

Paternal grandparents are Mr. and Mrs. Charles Serpas of New Orleans, La., and maternal grandparents are Mr. and Mrs. Richard Denson of Caseyville.

FREDDIE FRENCH
HONORED ON BIRTHDAY

The sixth birthday of Freddie French was celebrated with a family dinner Sunday at the home of his parents, Mr. and Mrs. Leslie French, 2340 Cardinal avenue.

A cake decorated with clowns holding flags and rockets was

served to Mr. and Mrs. Fred H. Luebert and daughter, Sharon, Bill Cox, Mr. and Mrs. Harry Cook of St. Louis, Mr. and Mrs. Richard Luebert and daughters, Bonnie and Dawn, and Rodney and Cindy French.

Miss Kathy York, daughter of Mr. and Mrs. Kenneth York, 2412 Cardinal avenue, entered the Jewish Hospital in St. Louis Monday morning to undergo a tonsillectomy Tuesday. She returned home Wednesday and will remain under doctor's care for two weeks.

Den mothers of Cub Pack 122 of the Wilson school PTA met Monday afternoon at the home of Mrs. Shirley French, 2340 Cardinal avenue, to prepare for the October pack meeting.

Plans were made for a fun evening of games and apple-dunking; prizes will be awarded to those with the funniest, most original and prettiest costumes.

The hostess served refreshments to Mesdames Rita Moutria, Pat Pitchford, Pearl Harmon and Ioan McKinney.

PNEUMONIA PATIENT

Kevin White, son of Mr. and Mrs. Carl White, 2821 National avenue, entered St. Elizabeth

Hospital Monday morning with pneumonia. He will remain in the hospital until later this week.

MRS. BALLARD HOSTESS

Hostess to the "Mamma's Night Out" club in her home at 2663 East 24th street Tuesday evening was Mrs. Jeanette Ballard. Canasta was played and prizes were awarded as follows: first prize, Mrs. Judy Rimmey; second, Mrs. Jane Truskey; third, Mrs. Janet Taylor; and low score, Mrs. Sheri Nash.

A highlight of the evening was presentation of a baby's gift to Mrs. Nash, who recently gave birth to a son. Plans have been made for a wiener roast Sunday. A dessert luncheon was enjoyed by Mesdames Barbara Schmiedake, Linda Tally, June Bernaick and Janet Fuhrman. Mrs. Nash invited the ladies to her home, 2628 Grand avenue, for the next regular meeting.

CHURCH CIRCLE MEETS

The Victoria Parsons circle of Suburban Baptist Church held a monthly meeting Tuesday at the church, called to order by the circle chairman, Mrs. Phyllis Knight.

The program chairman, Mrs. Mabel Turnbull, presented the

County K. of C. Chapter Meet Set for Bethalto

The Madison county chapter of the Knight of Columbus will hold its semi-annual meeting at 8 p.m. Wednesday at the new K. of C. Hall in Bethalto, it was announced by Vincent Lohmann of Collinsville, chapter president.

Delegations from the Tri-Cities, Alton, Edwardsville, Collinsville, Wood River, Highland and Bethalto councils will attend. Officers will be elected.

Program, entitled "Seeing and Doing,"

Included in presentation of the program were Mesdames Pat Heath, Ruth Wolf and Leslie Dorich. Mrs. Walter Stevens concluded the program with prayer.

A business meeting followed and refreshments were served. Others present were Mesdames Lena Hubert, Nellie Robertson and Beatrice Belcher and daughter, Virginia. The next meeting will be held Nov. 2 at the church.

20 NAMEOKI VILLAGE

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

In speaking of new laws last time, one I failed to mention was the inclusion of the coonhound under Section 47, which limits the training time.

Now, just as a bird dog, you cannot train your coonhound between April 1 and Aug. 15. This is to protect the young of the species.

Foxhounds and beagle hounds can still be trained year around. There is still the law that you cannot train in the ten-day period preceding the regular season for coon hunting.

Many people feel that the beagle hound should also be included in this training restriction. The problem here is not in the training of beagle hounds but in those that continually run loose year around without supervision.

The coonhound training restriction was no doubt brought on by a few non-caring coonhunters who thought they had to kill coon to train a young hound or to get their hound "up" for winter race or wild coon hunt.

What many coonhunters forget is that unlike many species of game animals and birds, the raccoon is more or less important to only them. I am afraid most people and many rural people in particular could care less if there is a coon hunting season or not or if the coon population lives or dies.

Should Obey Laws
It would seem to me therefore that it would be upmost in the minds of those who like coonhounds and hunting to see that laws are obeyed and the sport cared for. They could well take

some pointers from the foxhound men who have had to fight for and guard their sport for as long as they can remember.

It is common knowledge that there are few coon in certain areas of Madison county due to the summer killing and out-of-season hunting that took place years ago. In the three years that I have been in office, we have arrested and fined over ten coonhunters for carrying guns out of season, with fines ranging from \$50 to \$100.

We are not sure this has helped; it seems that we still have a few who slip out between midnight and day break to kill a few coon in this and neighboring counties.

Our being busy with other seasons may offer some protection, but if we are successful in apprehending them it is my intention to ask for a severe fine, which can go to \$300. The risk surely does not merit the small benefit it is supposed to give the hunting posters.

I will be distributing large hunting posters in the Alton and Granite City areas this week to taverns and barbershops, sportsmen's stores, etc.

If I do not get to your club or store, you can get one at the city clerk's office in both cities. Supply is limited. Please do not ask for one if you do not have a place to display it where it will be seen by sportsmen.

PP&K Contest Deadline is Tomorrow

Tomorrow marks the deadline for entries in Ford's fifth annual Punt, Pass and Kick contest for 8-through-13-year-old footballers.

Boys who wish to enter the competition may register at the local Ford dealer, B. E. Hohl, Inc., 1837 Madison avenue.

There will be five levels of competition—local, zone, district, area and national.

Local competition will begin at 1:30 p.m. Sunday, Oct. 7, at the Granite City high school football field. Each boy will compete in three categories—punting, passing and kicking (using a kicking tee). Judges will score one point for each foot the ball travels through the air.

Awards or prizes will be given to first, second and third place finishers in the local competition in two age groups, 8 to 10 and 11 to 13.

National finals of the PP&K will be held in Miami at halftime of the NFL Playoff Bowl Game in the Orange Bowl Jan. 9. The all-expense "Tour of Champions" for the youths and their parents will include a visit to Washington, D.C., and a special tour of the White House.

Boys Learning Basics Through Flag Football

By MIKE GREMAUD
Press-Record Sports Editor

In the midst of all the emphasis on professional and collegiate football this time of year, there's a football program that must not be sold short.

Flag football is a program sponsored by the Granite City park district for the younger athletes of the community.

The program currently has three leagues of play, with each league containing teams of boys within their own age group. There is the Rem Hall League for 3rd and 4th grade boys, the Ken Gray League for 5th & 6th grade boys and the 7th Grade League.

276 Players
There are 18 teams in which 276 boys participate and learn the basic fundamentals of football. Instead of playing tackle football, the teams wear belts with cloth flags on each side.

The object is to take a flag from the ball carrier and hold it up to stop the play.

The flag football program was not designed to teach the boys to win but to instruct youngsters in the basic fundamentals of football, including blocking, passing, catching and ball carrying, and to instill a good spirit of sportsmanship and conduct.

An added benefit of the program is that it helps keep young minds and bodies healthy and fit, not to mention keeping them out of potential trouble.

Each team has a coach, its own game jerseys, and helmets and pads. But, most important, each team is eager to learn to play football the proper way.

Through Instruction
"Every week we try to take a facet of football and teach the boys the correct way of doing it," said Bob Patrick, one of the coaches.

The majority of the teams practice for nearly two hours every night. Preceding each

Grid Awards to Koziel, McKechan and Harper

Jerry McKechan, Rich Koziel and John Harper have been named as the recipients of Granite City high's weekly football awards. McKechan got the "Chuckles Ax Murder" award and Harper and Koziel were named as outstanding offensive players.

McKechan, a one-man defensive platoon against Collinsville Friday night, was successful in blocking two Kahoks' punts, thereby setting up two Warrior touchdowns.

The 175-pound senior linebacker also recovered a fumble and made numerous tackles in Collinsville offensive backfield.

Praised by Coach
"He only played half of the game," said Warrior coach Jim Morrison. "I think he did a very good job for the time he was in the game," he added.

McKechan, who blocked a key punt in the Warriors' upset victory over East St. Louis last year, now has three blocked punts to his credit. He is the third of the McKechan brothers to play football at Granite City.

Harper was given a 91% rating in blocking by Morrison after the coach studied the Collinsville game films.

"He blocked real well, and did a terrific job at his right guard spot," Morrison said. Harper was credited with opening "holes big enough for our whole backfield to get through."

Running, Blocking
Rich Koziel, who started his first game as fullback, also won a share of the offensive Player of the Week award.

"Koziel ran well, and he showed us blocking like blocking we've never seen from him before," Morrison said.

Building Code Meeting Friday

Theodore H. Mikesell, executive director of the Southwestern Illinois Metropolitan Area Planning Commission, said today that many area cities will be invited to a meeting at 7:30 p.m. Friday with officials of the Building Conference of America.

Purpose is to explain building regulations to representatives of area municipalities.

Paul Baseler, executive director, will represent BOCA, a national nonprofit municipal service organization of public officials who regulate construction standards through codes of substance and performance.

Among the communities invited to participate in the meeting are the Quad-Cities, Alton, Belleville, Edwardsville, East St. Louis and Wood River. The meeting will be held at the new Library, Room 004, Southwestern campus of Southern Illinois University.

Subjects to be discussed include improvement of building regulations, administrative organization and enforcement methods and techniques.

BOCA maintains consultation and advisory services to assist communities in establishing or executing programs of building code reform or adopting new codes. The organization has published many codes adopted by municipalities.

Such codes are kept abreast of industry research and development by systematic review of requirements, study, public hearings and open discussions of proposed changes. Recommended changes are published annually.

Mikesell said several area officials have expressed interest in meeting with BOCA because of "the need for developing an adequate foundation of up-to-date construction codes as a vital component for any growing community."

**GC Steel Engineer
Elected AISE Director**

Eugene Whitaker, chief mechanical engineer, Granite City Steel Co., was elected a director of Association of Iron and Steel Engineers, during a recent meeting in Pittsburgh. Whitaker has been active in affairs of the 11,000 member technical society for a number of years, most recently as St. Louis District chairman.

**Paul Haldeman Jr.
In Anti-Sub Unit**

Aviation Structural Mechanic Third Class Paul A. Haldeman Jr., USN, whose parents live at 2016 Willow avenue, is serving as a member of Air Anti-Submarine Squadron 28 at the U. S. Naval Air Station, Quonset Point, R. I. The squadron normally deploys aboard the anti-submarine warfare support aircraft carrier as a unit of the U. S. Atlantic Fleet.

Area Traffic Fatalities Up 40% in 9 Months

Traffic fatalities in the Quad-City area during the first nine months of the year have increased 40% over last year's level, a survey of area accident records revealed today.

In direct contrast, however, the number of accidents for the same period decreased below that of 1964, as did the number of personal injuries. Records show that 21 persons

died in Quad-City traffic mishaps from January through September this year, compared to 15 during the same period of 1964.

Within the same nine-month period this year there were 1633 traffic accidents involving 786 persons injured, compared to 1645 accidents and 828 injured during the nine months of 1964. This year's traffic mishap rate

set daily averages of six crashes and 2.8 injuries. This year's traffic statistics show that four persons have died in traffic mishaps in each of three months this year—February, April and September—for a total of 12 in three months. Three persons were injured fatally in June, two each in March and May, and one each in January and July. August was the only month this year in which no traffic fatalities were recorded. During the first nine months of last year there was only one month in which four fatalities were recorded, one month in which three were recorded, three months in which there were two fatalities and two months in which there were one. No fatalities were recorded in two months of that period.

In September there were 190 traffic accidents in the Quad-City area, the third largest number for a single month this year. In January there were 230 mishaps and in March 204.

In September 1964 there were 185 accidents, bringing the total number of all accidents to 1645, or 12 more than for the same period this year.

A total of 117 persons were injured in the 190 accidents recorded last month, compared to 103 persons injured in the 185 accidents reported in September 1964.

The September injury record this year, however, is the largest for any month this year. Second largest number of injury accidents for any month this year was reported in June, when 96 persons were hurt in 171 traffic mishaps.

Sgt. Wheeler is AF Non-Com Graduate

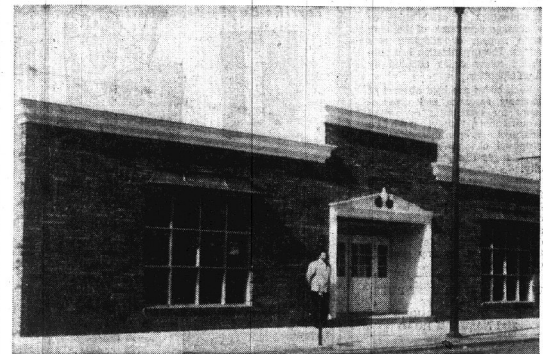

S/Sgt. Marion R. Wheeler, son of Mr. and Mrs. Richard E. Wheeler, of 2815 Palmer avenue, has been graduated from the U. S. Air Force Senior Noncommissioned Officer Academy at Bolling AFB, Washington, D. C.

Sergeant Wheeler who received advanced leadership and management training, is a data programming technician at Bolling. He is a member of the Headquarters Command, USAF, which provides direct support and services for Air Force personnel in the Washington, D. C., area and thousands on special duty overseas.

The sergeant is a graduate of Madison high school. His wife, Wanda, is the daughter of Mr. and Mrs. William Fricke, who reside at Pinckneyville, Ill.

ANNUAL APPLE BUTTER PROJECT at St. Peter United Church of Christ. Shown in the foreground are Rev. H. H. Wintermeyer and Mrs. Theilma Markgraf. Those in the background (from the left) are Mrs. Ellen Patterson, Mrs. Mildred Fehling, Ted Davis, Mrs. Frieda Bennington, Mrs. Eva Johannigmeier and Miss Alice Bohnenstiel.

NEW COLONIAL DESIGN front and remodeled building of the Steinberg Furniture Co., 1825 State street, is near completion and David Steinberg, operator, at doorway, announced he will begin stocking the store next week. The building was gutted by fire early this year.

ROBLEE.

A new Roblee "brog," and its Scotch-Irish granddaddy

As early as 1600, Scotch and Irish countrymen were wearing a shoe made from a single piece of untanned deerhide with the hair still on, and tied with thongs. It was called a "brog."

Its descendants are here in our store today... without hair... and known as brogues. A fine example, the Imperial, is pictured above.

Roblee brogues have every feature you like in a business shoe. Husky, hearty looks. Rugged, lustrous leathers, rubbed and rolled till they're soft and pliant. And a light, comfortable feel on your foot.

Drop around for a pair of Roblee brogues. And remember to tip your hat to the O'Donnells and Macphersons that you meet.

\$10,000 WGNU CLUB DERBY PAYOFF!

The Sequoyia Indians copped first place honors and the top prize — a 1966 Buick Station Wagon. This is Barb Downing with WGNU President Chuck Norman.

HERE IS WHAT THE CLUBS TOOK HOME IN CASH:

MADISON BAND	\$975.40
SEQUOYA INDIAN CLUB	874.63
ST. ELIZABETH ALTAR SOCIETY	730.27
ST. MARGARET MARY	407.99
ST. JOSEPH'S	277.11
WARRIOR BOOSTERS	225.19
NITE OUTERS	149.15
EASTERN STAR 650	139.64
DUV TENT 90	125.90
NATIONAL SECRETARIES	80.76
NAVY MOTHERS	71.41
DUV DISTRICT 8	72.02
NEW HOPE CHAPTER OES	55.07
58ers 4-H CLUB	47.36
MINERVA CLUB	9.47
REPUBLICAN WOMEN	7.93
VENICE DEMOCRAT WOMEN	4.34

The St. Elizabeth Altar Society finished a close second under the direction of Anna Liese Gyarmati. Their prize — a 1966 Zenith Color TV Set.

Madison Band's Jackie Frizzell won the bowling ball — WGNU Sales Manager Dick Hurley looks on.

Left to right: Irene Dawes, Warrior Booster chairman and WGNU's Ann Burton, Derby director. Irene gets an all-expense weekend at the Shoreland Hotel in Chicago for her and hubby, Emerald the barber, for finishing fifth.

Eastern Star girls, Sadie Jones and Valma Carraher happy over their prize — an oil portrait from Lazenby. A number of the club women and their families will be guests of WGNU at the Blue Seas Resort Motel at Miami Beach.

Fourth placers St. Margaret Mary look very happy. Besides their check, they were awarded a complete 20-volume set of the New World Book Encyclopedia.

The attractive June Barham led Madison Band in a strong third place finish—they received a complete motion picture camera and projector outfit.

Variety of Social Functions as Fall Season Arrives in Quad-Cities

LOCAL TOURISTS RETURN FROM SOUTH

Mrs. Pearl Thomas, 1940 Bedford street, accompanied by Mrs. Lena Scarborough, 2337 Gary avenue, and Mrs. Cecil Hensley of Burbank, Calif., returned Monday evening from Tennessee.

They visited Mrs. Thomas' uncle and aunt, Mr. and Mrs. Charles Jernigan, and Mrs. Wilma Hamner in Memphis, Mr. and Mrs. Burrell Jernigan in Dyersburg, cousins of Mrs. Thomas, and Mrs. Pauline Crocker in Somerville.

They also visited Mrs. Thomas' step-grandmother, Mrs. Betty Jernigan, who will be 103 years old Oct. 24, while in Memphis. Mrs. Jernigan, who is also the step-mother of Frank Jernigan, 2516 Hodges avenue, was injured in a fall and sustained a broken arm recently.

Kick the dull driving habit. Step out in a lively Dodge Coronet.

Forget all you've seen and heard about '66 cars. Because Coronet is here... sharp, smart and sassy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught on yet.

With a choice of five engines, Slant Six or V6, each one designed to make the walls of Dullesville come tumbling down.

And with a whole slew of standard equipment that used to cost extra. Like an outside rear view mirror. A padded dash for extra safety. Variable-speed electric windshield wipers and washers. Backup lights. Tuna signals. Seat belts, two front and two rear. Enough said to get you really tempted? Now let's get away from the look-alike, drive-alike,

first-cousin cars with Coronet for 1966, a car with a lively personality all its own. The Dodge Rebellion wants you!

Second row—Deborah Jo Moeller, flower girl; Dana Lynn Mandl, queen with scepter; and Kenneth Millikin, scepter bearer.

SORORITY ACCEPTS RUSHEES AS PLEDGES

A monthly meeting of Eta Chapter of the Phi Tau Omega Sorority was held Monday evening at the Elk's Club.

Mrs. Valeria Bauder, president, was in charge and candy was distributed for sale by the members, one of the group's fund raising projects. Five rushees were accepted as pledges and Mrs. Lorraine Butler was reinstated as an active member.

Fourteen were present and prizes were awarded to Mrs. Evelyn Yenko and Mrs. Butler.

Family Life is Topic for Guild

"Concern for the people in our own community" was the topic presented by the missionary department at a monthly meeting of the Evening Guild of St. Peter United Church of Christ on Monday.

A film entitled "Nobody's A Stranger" was shown by John Solenberger, executive director of the United Fund, after which Dr. Raymond Troyer, associate professor of psychology at SIU-SW, spoke on "Crisis in Family Life Today." The talk was followed by a question and answer period.

Mrs. Lucetta Wright was in charge of the program, assisted by Mrs. Annabell Patton.

Mrs. Carol Verne presided during the business hour and a number of coming events were discussed. Among them are the workshop of the United Church Women of Illinois and the Illinois Council of Churches which the church will host Friday; a conference meeting at St. John United Church of Christ in Wood River Oct. 19; and preparations for apple butter cooking Oct. 15-16 for the annual Country Fair to be held Nov. 13 at the church.

Refreshments were served by a committee composed of Misses Anna and Myrtle Soechtig and Mrs. Joyce Matson to 28 Guild members and five guests.

ANNUAL TEA FOR SACRED HEART TEACHERS

The annual tea for Sisters and lay teachers of Sacred Heart school was held this week in the cafeteria with about 100 present.

The tea table was adorned with a madonna centerpiece surrounded with pink asters and white pom poms and at either end were palms, garlands of smilax and tall pink tapers. The small tables holding bud vases of pink flowers also were lighted with pink tapers. The Sisters and other teachers were presented with gifts and games provided entertainment. A special prize was awarded to Mrs. Stanley Lapinski.

Teachers attending were Sisters Peter Damien, Collette, Sylvester, Mary Ellen, Thomas Ann, Thomas Marie, Donna Marie, Miss Helen Modrusic, Eugene, Lester, Frisbie, Rev. Joseph, Enright, Rev. Daniel Yuskas and Rev. Walter Weerts. Members of the committee in charge of the tea were Mesdames Gail Gargac, Rosemary Holtrave, Rose Juhaz, Margie Greenwald, Dolores Harizal, Carolyn Bensley, Jerry Werthe, Kathy Foster, Jane Papp, Margie Saltich, Marie Whaley, Juanita Epperson, Pat Cooper, Kathy Hagunauer, Florence Moore and Evelyn Stevens.

Bride-to-be Is Honoree

A well-attended shower honoring Miss Linda Johannmeier, a bride-to-be, was given Tuesday evening by Mrs. Carl Reiske, assisted by her daughters, Miss Linda Reiske and Mrs. Karen Szedlar at the Reiske home, 1616 Primrose avenue.

Those present were Mesdames Dorothy Johannmeier and Elida Sturman, mothers of the bride and groom-to-be, Ella Smith, Wilma Downey, Sue Brinkhoff, Ann Kudelka, Regina Knipping, Shirley Kibort, Elsie Sikorski, Mary Andria, Margie Holt, Bert Russell, Verna Cromer, Nell Jameson and the guest of honor.

Decorations of pink and white were used and there were games for entertainment. Prizes were awarded and refreshments were served buffet style.

Miss Johannmeier will be married to Dennis Sturman on the evening of Oct. 16 at St. John United Church of Christ.

ENGAGED. Miss Donna Townsend, whose betrothal to Gale Reining, a son of Mrs. Zelda Reining, 4132 Rode avenue, is announced by her mother Mrs. Mildred Townsend, Grenzer Apts., Madison.

Past Matrons, OES 650, Meet

Mrs. E. H. Theis, 2823 Grand avenue, entertained the Past Matrons club of Granite Chapter 650, Order of Eastern Star, Monday evening.

After the opening prayer by Mrs. Florence 'Sphor' a short business session was conducted by Mrs. Karmyn Edmonds, president, and the remainder of the time was spent at games, the prizes going to Mrs. Esther Magnus, Mrs. Sadie Jones and Mrs. Mary Ellen Lewis.

Others present, to whom the hostess served refreshments, were Mesdames Golda Bieser, Arline Fox, Dorothy Fitzpatrick, Clara Harbig, Virginia John, Gurnet Kelsie, Hannah Klein-schmidt, Blanche Leuchter, Tena Neunreiter, Laura Reimers, Kathryn Roman and Elma Robinson.

Come Downtown—Attend The Mayor's "Open Forum" City Hall Monday Oct. 11.

PAST PRESIDENTS' PAKLEY MEETS

The Past Presidents Parley of American Legion Auxiliary, Unit 113, met Monday evening in the Legion home with Mrs. Esther Harris presiding. Twenty members attended.

Among those receiving awards in the games were Mrs. Harris, Mrs. Winifred Costello, Mrs. Ella McKittick, Mrs. Ada Dushong, Mrs. Lumeta Durbin, Mrs. Mildred Rees, Mrs. Emma Steiner, Mrs. Edna Branscomb, Mrs. Kitty Morris, Mrs. Ida Reading and Mrs. Lucille Cooper. The special prize went to Mrs. Hazel Odum.

Mrs. Martha Montague was hostess.

Students Name Class Officers At Granite City High

Students at Granite City high school have elected class officers for the year. They are:

Seniors — L. C. Nighossian, president; Rich Hodshire, vice-president; Deb Tatum, secretary; and Cheryl Smith, treasurer.

Juniors — Candy Jones, president; Kathy Holmes, vice-president; Vicky Duncan, secretary; and Sherry Talley, treasurer.

Sophomores — Jim Simpson, president; Bill Harris, vice-president; Deb Lerner, secretary; and Roselyn Zotti, treasurer.

Nighossian is a member of the Science Club and Modern Music Master and is out for basketball. Candy Jones is a member of the Teen Town council, advanced speech, journalism, year book, Red Peppers and Tri-Hi-Y. Simpson is planning to go out for basketball.

PSAT Registration At GCHS Next Week
Registration for the Preliminary Scholastic Aptitude Test at Granite City high school will open Monday and close next Friday.

Students must register in the guidance office and present the 75-cent test fee.

The PSAT of the College Entrance Examination Board will be held Oct. 19 and 23. Further information may be obtained in the guidance office.

Oct. 17-22 at GCHS

'Roman Holiday' Theme For Homecoming Week

"A Roman Holiday" will be the theme of Homecoming Week Oct. 17-22 at Granite City high school.

Included in the activities will be the Homecoming play, "Ben Hur," to be presented twice on Oct. 20, an alumni banquet on Oct. 20, the football game with East St. Louis on Oct. 22, to be followed by the Homecoming dance, and a pep rally.

During the week souvenirs will be sold. Along with the traditional mums and red and black shakers, badges supporting the team will be sold. The badges are large, in the form of a red and black stop sign, and have an Indian insignia with the words: "No One Can Stop the GCHS Warriors."

Large white mums have been selected and will contain a large black "G" on them and bright red ribbon around the stems. This year florists are adding a small gold football to the ribbon. The mums will sell for \$1.

Following each performance of the play, with admission set at 75 cents or an activity ticket, the new Harvest queen will be crowned.

Named to Frate Office
Terry Wayne Smith, son of Mr. and Mrs. Hubert Smith, 2218 Edgewood avenue, has been elected vice-president of Acadia Fraternity at Illinois Wesleyan University, Bloomington. Smith is a junior, is a graduate of Granite City high school and is majoring in political science.

No School Friday, Set Hop, Work Day

Students in the Quad-City grade and junior and senior high schools have the day off tomorrow as teachers will be attending meetings of the Illinois Education Association at Highland and the American Federation of Teachers at East St. Louis. Among special activities will be a Teen Town orchestra dance from 8:30 to 11:30 tonight at the YMCA. The Coachmen will play and admission is 25 cents for members, Hi-Y and Tri-Hi-Y clubs scheduled for tonight will meet at 7 and 7:45 instead of 7 and 8 p.m.

The Senior Leadership Club at Granite City high school will hold a Work Day tomorrow. Twenty-seven girls will be available to do odd jobs from baby sitting to yard raking at the rate of 75 cents per hour. Arrangements may be made by phoning TR 6-2211.

Not'l. Tea Dividend
At a meeting of the board of directors of National Tea Co. in Chicago on Monday, the regular quarterly dividend of 20 cents per share was declared payable Dec. 1, to shareholders of record Oct. 28.

PVT. SANDRA CAUDRON
Woman Marine Recruit Ends Basic Training

Woman Marine Pvt. Sandra L. Caudron, daughter of Mr. and Mrs. James Caudron, 2809 Palmer avenue, has completed eight weeks of recruit training at the Marine Corps Recruit Depot, Parris Island, S. C., the only training base for recruit women Marines.

The training consists of instructions in basic military subjects as drill, first aid and personal standards, courtesy and customs and the uniform code of military justice.

In addition, instructions are given in administrative subjects as typing, business English, spelling, filing, and correspondence practices.

YMCA Sets Free Junior High Program Saturday

The YMCA is launching a new program for junior high school students and is offering membership to all seventh and eighth grade students attending Granite City schools.

They are invited to attend a special free "kickoff day" at the "Y" on Saturday. Special attractions will be a dance from 1 to 3 p.m., featuring the Loose Ends, followed by recreation in the gym and swimming from 3 to 4:30 p.m. Free soda will be served.

New members will join in planning social activities to complement their Saturday meetings.

Also open to the youths will be special opportunities for many physical activities as judo, swimming and volleyball.

A further highlight of the new Junior High Alliance will be the members' participation in various civic contributions to the communities.

Also invited are all ninth grade students who will be able to acquaint themselves with the junior Hi-Y and Tri-Hi-Y club program which will offer physical activities as trampolining, junior lifesaving, volleyball, basketball and judo. Phil Mehelec is in charge of the junior high department at the "Y."

Catfish Grow 2 Pounds In Year in Test Ponds
Proff that meaty, menu-sized channel catfish can be reared and brought to the table from strip mine ponds has been shown by a Southern Illinois University zoology research project.

Frank Bulow, working on a Ph.D. thesis, has shown that channel cats he set out to pasture in eight strip ponds last year in July. Then they barely tipped the balance-scale at a half ounce. Now, after a year-long diet of commercial fish food, they weigh two pounds.

The herd was reared on trout pellets. A test group left with only fathead minnows to eat weighed only a quarter of a pound, and those fed both weighed no more than those with pellets only.

He said the good wholesale rate for fish pellets is 11 cents a pound, and channel cats like

Coast Guard Exams To Start Dec. 4

The 90th annual competition for entrance to the U. S. Coast Guard Academy will start Dec. 4 with administration of the College Entrance Examination Board tests.

Appointments as cadet are made solely on the basis of nationwide competition. There are no geographical or congressional quotas.

An applicant must be a high school senior or graduate who has reached his 17th but not his 22nd birthday by July 1, 1966. Applicants must be in excellent physical condition, between 54 and 78 inches tall, with proportionate weight, and have at least 20/30 vision in each eye correctable to 20/20. During the training, cadets are paid \$1467 per year.

An information booklet and application forms for entering the Coast Guard Academy may be obtained by writing to Coast Guard Cadet, St. Louis, Mo., 63103.

Youth Focus

Square Dance Program to Start for Three Grades

The eighth annual square dance program, sponsored by the Granite City park district, for students in the fourth, fifth and sixth grades, will begin next week at four area schools and will continue for about 18 weeks. It was announced today by Park Supt. Harold Brown.

The initial session will be held Monday, at Nameoki school gymnasium, from 6:30 p.m. until 8 p.m., for students who attend St. Elizabeth, Nameoki, Maryville and Frohardt schools. Tuesday night's program will be held at the same hour at McKinley school for pupils attending Emerson, St. Joseph and McKinley. St. Margaret Mary and Wilson school children will meet at 6:30 p.m. Wednesday at McKinley gymnasium.

McKinley gymnasium; and Marshall, Niedringhaus, Webster and Sacred Heart students will begin their program at Niedringhaus school on Thursday, Oct. 14.

Brown stressed that all youngsters who participate in once-a-week square dance program at any of the four recreational centers will be taught by qualified instructors. No prior registration is necessary, he said, and those wishing to participate should attend any session next week at the school nearest their home.

While no charge is made for the instruction program, Supt. Brown stated, each child is required to pay \$1 toward insurance coverage. Those children who were in any of the park district's summer recreational activities and who paid the insurance fee during 1965 are not required to pay an additional fee, Brown said.

Mrs. Helen Bjorkman will be in charge of the square dance series, assisted by several qualified park district recreational leaders.

William Ebrecht
Tulsa Philharmonic Signs Wm. Ebrecht

William Ebrecht, 18, son of Mr. and Mrs. Elmer L. Ebrecht, 2629 East 27th street, and a freshman at the University of Tulsa, Okla., has signed a contract to play with the Tulsa Philharmonic Orchestra this season after appearing in a successful audition.

He plays string bass. He was graduated last June from Granite City high school.

VHS Students See 'Carousel,' Plan Trip to Movie

By JUDY REIDELBERGER

The senior English class at Venice high school went to the American theater in St. Louis yesterday to see "Carousel" by Rodgers and Hammerstein with John Rait. They left by bus at 1:15 p.m. and returned at 5:30 p.m.

Accompanying the group were Mrs. Althea Cross, senior English teacher, and Mrs. Georgia Falwell, freshman English teacher.

Next Wednesday Miss Alice Purdes, choral director, will take a group of students to the St. Louis theater to see "The Sound of Music" with Julie Andrews. They will go by bus.

The VHS chapter of the Future Homemakers of America held its initiation of new members on Monday, ending a week-long enrollment. During all of last week the FHA members had "little sisters" whom they advised and watched over. They also gave them their FFA test and saw to it that they were dressed in their patched skirts, wore their blouse backwards and wore mis-matched socks and shoes.

GC Student Honored

Willis Bowers, son of Dr. and Mrs. Willis W. Bowers, 2646 Cleveland Blvd., was one of 88 students honored for academic excellence at the first term Honors Convocation at Monmouth College. He had an average of 3.667 based on a four-point grading system in the third term of the academic year which ended last June.

Girls Field Hockey to Start with Tuesday Meet

For the second year, the Granite City park district will include a girls' modified field hockey program in its fall and winter activities schedule. It was announced today by Harold Brown, park superintendent.

Exclusively for girls in the fifth and sixth grades, the initial instruction session will be held Tuesday at the Frohardt school grounds. Identical programs will be conducted each Thursday at Wilson school and on Fridays at Niedringhaus school.

All three programs will be held immediately after regular school hours for a one-hour period, Brown said. Interested students who attend other grade schools may participate in the program.

11 Enroll in Air Force ROTC at SIU-SW

Eleven students have enrolled in the new two-year Air Force Reserve Officers Training Corps program at Southern Illinois University's Southwest campus, according to Maj. Theodore B. Buecher, assistant director of the ROTC program.

Maj. Joseph Harvath has been appointed director for the program at the local campus. To become enrolled, a student must pass a three-to-six-hour psychological testing block and a rigorous physical exam. He also must spend six weeks during the summer between his sophomore and junior year in a field training session.

After becoming officially enrolled, the student receives \$40 per month for 10 months for his two remaining years of school. He also will receive a full draft exemption.

Four GAA Members Here Attend Moline Workshop

Joyce Fowler, Kathi Aubrey, Cindy Teaney and Sharon Koch represented Granite City high school at the annual state Girls Athletic Association workshop at Moline.

They participated in discussions on duties of sports managers, tournaments, selection of teams, records, officiating, responsibilities of leaders, public relations, play day planning, and social and money-making events.

An officiating demonstration was conducted. All expenses except for meals were paid by GAA.

New Officers Elected To High School Clubs

Presidents of Granite City high school organizations for the current year have been selected. All seniors, they are:

Pete Maer, Quill & Scroll; Vincent Kwiatkowski, German Club; and Scott Kolesa, Russian Club. Others elected include Kolesa, vice-president, German Club; Larry Nolan, vice-president, Russian Club; Debbie Bush, treasurer, and Annette Gasparovic, secretary, Quill & Scroll.

Bids Recalled for Work On New SIU Structures

Bids will be recalled at Carbondale Oct. 21 for plumbing, heating and other mechanical work on two additional 17-story residence halls and a common building at Southern Illinois University.

Although a \$6.4 million general construction project was approved conditionally last month, SIU's board of trustees turned down most mechanical work bids because they were above engineer estimates.

Madrigal Members Selected at GCHS; To Play in Public

Sixteen members have been selected for a New Madrigal group at Granite City high school to perform under the direction of Warren Simpkins.

New additions include Marsha Galloway, Linda Brumley, Sue Carroll, Mike Farrell, Emery Ackerman, Dennis Thurston, Dave Schwendeman and Les Hall.

Returning from last year's group are Kathy McCalla, JoAnn Crews, Sharon Koch, Jenell Myers, Janice Veiter, Larry Harris, Stan Hoffman and Dwain Bridges. The accompanist, when needed, will be Sheila Gibbs.

Current selections of the group are "Silver Swan," "Oochi Man-a-Mia," "Weep O Mine Eyes," "My Heart with Love Is Springing," "All Ye Who Music Love," and "Miserere Mei."

The group is to make public appearances before various organizations.

How come 2,400,000 people in (Chicago) are insured by Metropolitan Life?

Here and everywhere, more and more people are discovering that life insurance can be as wide-awake and forward-looking as their own plans for the future. These are the people who've learned about Metropolitan's exceptional range of up-to-date plans and policies. Here are two examples:

New cash-building policy for business owners

Perhaps you have insurance problems involving partnership, stock retirement, key man, split dollar, or deferred compensation factors. Then check on Metropolitan's new Executive Equity plan.

It's especially designed for business owners who want protection while maintaining assets through a rapid buildup of cash values from their insurance premium payments.

New \$50,000-and-up policy at notable savings

Perhaps you have short-term needs to cover a large loan, to protect a partnership against death, for other business protection—or for substantial family protection.

In that case, Metropolitan's new 10-year convertible term policy fills the bill. Written only in amounts of \$50,000 and more, written strictly for 10 years and non-renewable, this new policy offers large cost savings.

Your premium is remarkably low—especially for the first two years. And, assuming that dividends* continue at current rates and are applied to premiums, payments will be kept low for the full ten years.

At any time within the period you can convert to a permanent type of insurance up to the full face amount—without taking a physical examination.

These new policies are just part of the up-to-the-minute selection of life and health insurance plans you'd expect from America's leading life insurance company. Get the facts from your Metropolitan representative today.

More choose Metropolitan Life
*Dividends are not guaranteed.

There are many reasons why Metropolitan Life insures 45,000,000 people—more than any other company. One good reason is local, personal service from the Metropolitan advisers at your nearest office:

Mathews Displays 1966 Line of Chevys Today

Variety, safety and luxury highlight the 1966 Chevrolet—plus the greatest assortment of models in the division's 35-year history, totaling 56 models in six passenger car lines. Now on display at Mathews Chevrolet, 1511 Niedringhaus avenue.

"Model, option, color and interior combinations in the new Chevrolets number in the billions, giving the buyer an unparalleled opportunity to individually customize his car," said Walter Mathews, president of the local dealer.

Principal features include Caprice top-of-the-line series with four prestige models is added to the top-selling regular Chevrolets. A four-door hardtop joins the Chevelle line, plus a distinctive Super Sport 396 series. The Chevy II receives its first complete redesign since introduction in 1962 models. The Che-

velle is restyled, there are design refinements in the Corvair and Corvette, and the regular Chevrolet has an even "bigger car" look.

Numerous safety features are made standard on all models ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.

New engines include a 230-cubic inch I6 and two 427-cubic inch V8's. A new three-speed fully synchronized transmission is standard on all Chevrolet models.

Offered for the first time, in addition to the more than 400 options and accessories already available to Chevrolet buyers, are a single-dial automatic heating and air conditioning system, a bench front seat with center armrest, adjustable front seat headrests and tilt-telescoping steering.

Restyled, high fashion interiors are also featured in all models. Bucket seats in Chevrolet, Chevelle and Chevy II models are a new slim "Strato" design. Each of the 14 station wagons has an all-vinyl interior.

Henley Receives Award

Raymond L. Henley, 2540 Cleveland blvd., an agent of the Connecticut Mutual Life Insurance Co., has been granted a 1965 national quality award in recognition of superior service to the public. The award is made by the National Association of Life Underwriters and Life Insurance Agency Management Association.

WE WELCOME YOU

NOW! '66 CHEVROLETS

Caprice Custom Coupe

NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons. Liquid smooth ride. Power you can order just as smooth and

pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. New interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes for 1966. Model shown: Impala Super Sport Coupe.

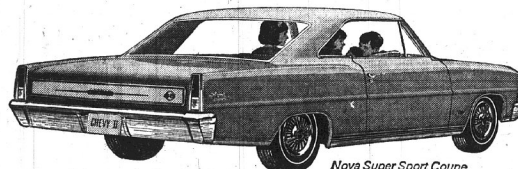

NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevelles they are. Both are available with 396-cubic-inch Turbo-

Jet V8's, either 325 hp or 360 hp. Both come with special hood, grille, suspension, emblems, red-stripe tires, floor-mounted shift. Twelve beautiful Chevelles in all—all as new inside as they are outside, headlights to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corvair Sport Coupe

ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up

to a 350-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

'66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving.

Lots new. Corvair, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed, Corsas, Monzas, 500's. Get one.

NEW LOWER PRICES* ON ALL '66 CHEVROLETS—SEE THEM NOW AT YOUR CHEVROLET DEALER'S

*Based on manufacturer's suggested retail prices for standardly equipped '66-'68 models.

Oil, Rock Improvement

For Alleys in Venice

Alleys in Venice and Bremen and Slough road on Kerr island will be oiled and rocked under a contract with Midwest Blacktop Roads, Inc., East St. Louis, that has been approved by the Venice city council.

The work is expected to require about 500 tons of rock and 12,000 gallons of oil. The company contracted to do the work at \$3 per ton for rock and 15 cents per gallon for oil, the price to include cost of spreading.

Come Downtown—Attend The Mayor's "Open Forum" City Hall Monday Oct. 11.

Nurse Education Program Oct. 14

Dr. Francis S. Walker, whose practice is limited to neurological surgery, will be the guest speaker at the continuing educational program for nurses next Thursday evening at St. Elizabeth Hospital. The program will begin at 7:30 p.m. and will be held in the classroom of the Tri-City Building.

These programs are scheduled for all professional nurses and licensed practical nurses employed at the hospital and the immediate community.

As his topic for the evening Dr. Walker will discuss "The Diagnosis and Care of Patients with Head Injuries." It was announced by Miss Ruth A. Druhe, R.N., who is in charge of the hospital's education program.

REBEL HARDTOP, new addition to the Rambler Classic line for 1966, now on display at the Brewer Motor Co., 2163 Madison avenue. All other lines of Rambler and American Motors models also are on display.

New Rambler on Display At Brewer Motor Co.

The new 1966 line of Ramblers and American Motors series went on display today at the Brewer Motor Co., 2163 Madison avenue, featuring all new models in the passenger and station wagon lines.

The Rebel and Rogue are announced three new names in the lineup this year, the DPL, Rebel and Rogue. The DPL is the new top of the line hardtop in the 1966 Ambassador by American Motors series and is one of eight Ambassador models.

The Rebel and Rogue are Rambler models while the Ambassador and Marlin, a sports car, are American Motors productions in the top of the line class. The Rebel hardtop Rambler is a new addition to the Rambler Classic model lineup for 1966.

The 1966 Marlin by American Motors has a number of changes for product refinement and improvement.

The Rebel and Rogue are announced three new names in the lineup this year, the DPL, Rebel and Rogue. The DPL is the new top of the line hardtop in the 1966 Ambassador by American Motors series and is one of eight Ambassador models. The Rebel and Rogue are Rambler models while the Ambassador and Marlin, a sports car, are American Motors productions in the top of the line class. The Rebel hardtop Rambler is a new addition to the Rambler Classic model lineup for 1966.

Fire Prevention Suggestions

Protect Youngsters from Fire Hazards

With Fire Prevention Week on the way, Quad-City area fire chiefs today stressed the necessity for parents to protect small children from the hazards of fire.

Very few parents would allow their children to play on the edge of a busy street. But many otherwise responsible parents overlook a hazard just as threatening as leaving small children at home alone while they go on a brief errand to a nearby store or to a next-door neighbor's.

All too often, these few moments are all that fire needs to do its deadly work. The shock-

ing fact is that one-third of all child victims were alone and unprotected when fire struck, National Fire Protection Association studies show.

If you would protect your children from fire at home and at play, follow these precautions the fire chiefs suggest:

Never, under any circumstances, leave small children alone.

Make sure baby sitters have specific instructions to follow in case of fire. These include orders to get the children out of the house the instant smoke or gas is noted, directions for at least two escape routes from

every room, and the way to get each child to safety. Keep your home free of fire hazards through regular check-ups. The fire department will help in this.

Train children of all ages to get out of the house to safety in case of fire. Have at least two escape routes from every room, and be sure the children know these routes by heart.

GC Council Ok's Rental of Dump

Rental of the city dump facilities to the cities of Madison and Venice was approved Monday night by Granite City council members on recommendation of the Sanitation committee and Mayor Partney.

The city is to receive a monthly fee of \$500 from the two cities and from that amount will pay National Disposal Co. \$150 a month to handle trash and garbage at the dump.

Madison and Venice were given a cut-off date last month by the state to halt burning at their dumps. Granite City now has a landfill operation.

Miniature Schnauzers Shown in Indiana

Mr. and Mrs. Lewis Brown, 75 University drive, Mitchell, arrived home Monday from Indiana, where they spent the weekend showing their two prize-winning miniature Schnauzers, Derle's Midnight Victory, a 10-month-old male dog and Brown's Countess Von Gretchen, an 11-month-old female.

The couple, accompanied by the dog handler, John Birdsong, 2612 Washington avenue, showed the animals in two mid-west contests, in Terre Haute and Indianapolis.

During the trip, they were guests at the Indianapolis Dog Fanciers' panel and cocktail party held on Saturday.

Two week's ago, the Brown's male Schnauzer, whose ancestry is considered to be one of the country's top bloodlines in its breed, was a blue ribbon winner in the Columbia, Ill., dog show.

Classes for Youngsters

Continuing a policy intended to provide diversified programs appealing to youngsters of all ages and tastes, the Granite City Public Schools have announced a new schedule which is expected to attract a number of future bachelors.

Starting Monday, first through sixth grade girls may receive free baton twirling lessons at the Marilyn Champion School of Baton, Niedringhaus avenue at Iowa street. Participants must be new to twirling and qualify as beginner pupils.

Classes will be limited to 25 students each with one session held Monday afternoons and a second class on Wednesdays. Girls may wear shorts or slim pants for the sessions to be conducted from 4 to 5 p.m.

Gymnastics Program

Also on Monday, the gymnastics and tumbling program, which has increased in popularity the last two years, will get underway at the park district's

Park District Twirling and Gymnastics to Start Monday

community center, 822 Niedringhaus avenue.

Open to all grade and high school students, the program will include two beginners classes, plus an intermediate and advanced course.

Beginner classes will be held from 4 to 5 p.m. each Tuesday and Wednesday and can accommodate about 50 youngsters in each session, it was announced by Pete Robinson, gymnastics instructor.

Intermediate students can attend classes from 6 to 7 p.m. each Monday and Thursday, and the advanced group will meet in the same evenings from 7 to 8:30 p.m.

The gymnastics group will be affiliated with the Missouri Gymnastics Association, Robinson said, and will compete with other teams from the St. Louis area. He added that members of the advanced group expect to compete in the National Gymnastic meet, sponsored by the U. S. Gymnastic Federation.

Layman's Sunday at Niedringhaus Church

Niedringhaus Memorial Methodist Church will observe the annual Layman's Sunday, Oct. 10, at both morning services at 8:30 and 10:40.

Donald Roglund, lay leader, will lead the worship service on the theme "Go, Inquire Concerning The Book."

The guest speaker will be M. L. Marshall of St. Clair, Mo. He has been with International Shoe Co. for the past 37 years, serving as clerk, office manager, traveling auditor, and at present, plant superintendent. He is Deputy District Governor of the Lions Club in Missouri. Active in church work for many years, Mr. Marshall has served as Sunday school teacher, and a member of the official board of various churches for the past 30 years. He is now the lay leader of the Methodist Church in St. Louis.

Antheims for the services will be sung by the Youth Choir at 8:30, and the Chancel Choir at the 10:40 worship hour. Both choirs will be under the direction of Warren G. Simpkins, church music director.

In the evening worship service at 7:30, the sermon will be delivered by the minister, Rev. R. Paul Sims.

Vacancies Remain in Army Reserve School

Vacancies still exist in the St. Louis U.S. Army Reserve school for officers and enlisted men of the Army National Guard and Army Reserve. Classes are conducted at 8 p.m. Wednesdays at the Mart USAR center, 11th floor of the Mart building.

Officers of any branch or service may enroll in the common subjects program and can qualify men for retention and promotion. Enlisted personnel may, with approval of their commanding officer, attend classes offered by the common specialist department at the school, providing hard-skill military occupational specialty courses.

Complete information about the school program may be obtained by phoning Main 2-2731.

Calvary Brotherhood Elects New Officers

New officers were elected by the Calvary Brotherhood of Sterling Church at a breakfast meeting this week.

They are Brooks Holder, vice-president; George Patterson, secretary; Neuman Stafford, Royce, Ambassador leader; Robert Meyer, Christian Witness leader; and Kent Kott, Personal Stewardship leader.

Edward Brinkley, president, conducted the meeting and gave the charge. Scripture reading and prayer was by Rev. W. V. Snider, pastor.

The Giant-Killer Rides Again!

ROGUE: new razzle-dazzle Rambler. Outperforms every other car in its class (with standard engine). "The Rogue really came with rally stripes!" "No, but with the big new engine they drive that way." '66 Rambler American Rogue here October 7th.

REBEL: new roomy, roomy Rambler. Doesn't cramp your style, or your legs, or your family, or your pocketbook. Think you know a Rambler when you see one? Think again, look again. See the '66 Rambler Classic Rebel at your friendly Giant-Killer's, October 7th.

MARLIN: '66 by American Motors. Full-size, family-size sports fastback seats 6—in comfort. (Even with bucket seats!) Flip down the front and rear armrests and turn your Marlin into a 2+2. Don't miss it at your friendly Giant-Killer's on October 7th.

American Motors Challenges the "Big 3" of Detroit—With 4 New Lines of '66 Cars that Give the Public What it Wants.

Last time it was size. This time? Quality! Quality that's built in—not added on. The promise: more built-in quality features at no extra price.

Remember when American Motors came out with the trim little Rambler and knocked the Detroit "Giants" on their collective ear? Overnight, big fins and fat land yachts went out of style. American Motors came along with the right cars at the right time and caught the competition napping. This year, almost half the automobiles sold are Rambler-size cars.

Round one to the "Giant-Killer." What next? For '66, American Motors again gets the jump on the big boys with a new rallying cry: Quality! A new kind of quiet quality that is built in as standard equipment on every car in the line.

This is the American Motors credo. Quality that's built in—not added on. First, determine what has to go into a car to make it stronger, safer, more dependable, more luxurious. Then put it there. Regardless of cost. Build it in.

Ready to be convinced? Ready to be surprised? Check this page for a preview of the 4 sleek challengers. New cars. New names. Then admire the styling of these exciting new cars. When you have finished, please get on your horse and go to the friendly Giant-Killer in your town, your American Motors/Rambler Dealer.

*Optional on most models. †Based on a comparison of manufacturers' suggested retail prices.

TV PREMIERE THURSDAY NIGHT! See the new American Motors '66 cars on "The Andy Griffith, Don Knotts, Jim Nabors Special," CBS-TV, October 7th

AMBAASSADOR DPL by American Motors. Now you can have your first luxury car while you're still young enough to enjoy it. Coil-spring seats like Cadillac. Double-Safety brakes like Cadillac. Price like Impala. Fun, Galante! Be sure to see it October 7th.

Area Rainfall Last Month 4.19 Inches --- Above Normal

The heaviest monthly rainfall since April and the second heaviest fall this year was recorded in the Quad-City area during September when a total of 4.19 inches was recorded on the gauge at the Chain of Rocks Canal.

More than three inches of the total was recorded on three separate days of the month—Sept. 1, when .73 of an inch of rain fell, on Sept. 5 when one inch was recorded, and on Sept. 22 when 1.47 inch of rain fell throughout the area.

Rainfall records for the month have been established by the show that rain fell on varying amounts, ranging from .02 inch on Sept. 14 to the maximum of 1.47 inch on Sept. 22. On Sept. 11 there was .17 inch, and 22 county couches and a refrigerator on Sept. 16, with another .10 tor.

Schools Seek Bids
A 3:30 p.m. Oct. 18 bid deadline has been established by the Granite City school district on supplying of a gymnasium floor cover, magazine subscriptions, roof gutter, lighting supplies, re-

frigerator on Sept. 16, with another .10 tor.

Motor Vehicle Fee Up 50 Cents for '66

Secretary of State Paul Powell is reminding motorists that all Illinois motor vehicle license fees have been increased 50 cents beginning with registrations for 1966.

Passenger car fees are now \$7 for cars having 25 horsepower or less, \$11 for over 25 and not more than 35 horsepower, \$17.50 for over 35 and not over 50 horsepower, and \$22.50 for more than 50 horsepower.

The fee increase was enacted by the 1965 General Assembly to cover the added manufacturing cost of reflectorizing license plates to give greater safety on the highways, he said.

Of the 50-cent increase, 31.9 cents will cover the added manufacturing costs, and the remaining 18.9 cents will go into the road fund for general highway purposes, Powell said.

PONTIAC'S GTO will be available this year in the convertible model shown above as well in a sports coupe and hardtop coupe. The 1966 GTO and other Pontiac models will be on display today at Hundley Pontiac, 1801 Madison avenue.

GTO is Star of Hundley 1966 Pontiac Display

"Pontiac Motor Division's 1966 models, from the Tempest to the Grand Prix offer extensive advancements in automotive styling, engineering, safety and model availability," according to Mr. Walter Hundley, president of the local dealership. The new models went on display today at Hundley Pontiac, 1801 Madison avenue.

The entire Tempest line has been redesigned, expanded by the addition of five new models including a new GTO series, and for the first time in an American passenger car, an overhead camshaft six-cylinder engine is offered as standard equipment on all Tempest models except the GTO.

A new series, the 2 Plus 2 with

with our new overhead cam engine we feel we are presenting a major engineering break through as well."

The Catalina, 2 Plus 2 and Grand Prix have an overall length of 214.5 inches, 0.2 inches longer than last year, and a wheel base of 121 inches. The Star Chief Executive and Bonneville measure 221.8 inches overall, a 0.1-inch increase, and their wheelbases are 124 inches. All

new models are a true reflection of Pontiac's policy of longer overall, measuring 206.4 continuous and evolutionary progress in automotive design and wheelbase.

Increase in Fee For Vet's Headstones

An increase in the cartage and erection fee of government headstones for veterans was announced today by Joseph D. Wetton, Granite City service officer for the Illinois Veterans' Commission.

Wetton said that the recent legislature passed a bill which increased the fee from \$10 to \$15 and applies to veterans that are buried in the state of Illinois and have been provided a headstone by the federal government.

BONNEVILLE CONVERTIBLE

The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous Broughams and 4 Venturas. And, of course, for you other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—

all with new Wide-Track ride and improved cat-

GTO CONVERTIBLE

and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests.

Come to tiger country. See all the Wide-Track tigers at your Pontiac dealers.

"Trends in Education in Illinois" will be the theme of the seventh annual education conference of the Southwestern Division Area Council of the Illinois Federation of Teachers, American Federation of Teachers, AFL-CIO. The education conference will be held at the East St. Louis senior high school auditorium, 4901 State street tomorrow at 8 a.m.

The Southwestern Division Area Council consists of 13 locals of the American Federation of Teachers, representing approximately 2500 educators in St. Clair and Madison counties.

The Honorable Paul Simon, Illinois State Senator, 47th District, will be the featured speaker. Senator Simon is the publisher of nine weekly newspapers, writes for national magazines, and prepares an award winning column on state and local government for 300 newspapers.

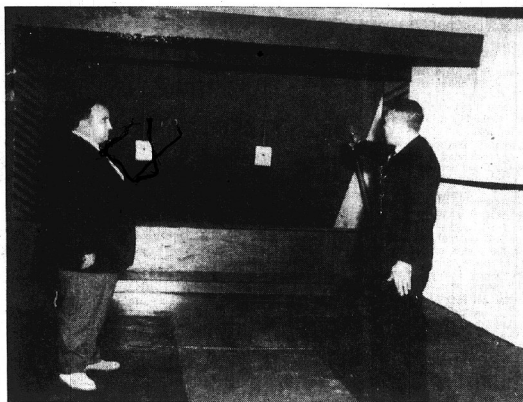

George T. Wilkins, former Illinois state superintendent of public instruction and well-known educator of the Southern Illinois University, southwestern campus, also will speak on the education conference theme.

Informing area teachers about the new Illinois junior college program will be Dr. Richard G. Browne, who served as executive director of the Illinois Board of Higher Education from 1962 until 1965. During Dr. Browne's tenure on the board, plans for the new Illinois junior college program were formulated. At present, Dr. Browne is a member of the Illinois Junior College Board.

Presiding magistrate of the 20th Illinois Judicial District, Judge Billy Jones' topic will be "Education—Today's Challenge." Judge Jones, a prominent attorney, has been active in civil rights work, and he is a first vice-president of the National Bar Association.

The Southwestern Division Area Council Education Conference is a recognized county institute in both St. Clair and Madison counties, and all teachers are invited to attend.

NEW FIRING RANGE nearing completion for the Madison county sheriff's department at Edwardsville. Taking aim is Sheriff Barney Fraundorf, and looking on is George Ramach, chief deputy sheriff.

Sheriff's Dept. Getting a Firing Range

A new firing range for the sheriff's department is nearing completion at the rear of the Madison county jail in Edwardsville.

The 12x40-foot facility was designed to aid police officers and deputies in becoming more proficient in the use of their firearms, according to Sheriff Barney Fraundorf.

"A law officer is expected to know and competently use the

service pistol, and he must be prepared to defend life and property if called upon to do so at any time after his appointment," the sheriff said.

"What is most important to the new policeman in learning to use a revolver is safety. He must know the essential rules for safety with firearms, and observance of these rules must become fixed habits when handling firearms."

List 20 Rules
The sheriff established a list of 20 rules, the last of which stressed extreme care to avoid injuring any person who may be within range of fire. He cited instances where an innocent party has been injured when a policeman chose to fire at a culprit with citizens in the vicinity.

His advisory also states that a policeman must not use a firearm except for the protection of life and property, in apprehending a person who has committed a felony, to summon assistance and at instruction and practice. Under no circumstances should an officer shoot in a case of misdemeanor or in any traffic violations, Sheriff Fraundorf continued. Police have mistakenly believed that they have the right to kill any escaping felon. A man should not be killed because he is escaping. He may be apprehended the next day or the next year

and the court will add an additional punishment for escaping."

Two Small Targets
Officers will fire at two small targets at a distance of 25 feet. The walls and ceiling of the range are to be arranged to muffle the noise. A quarter-inch steel sheet at the back of the target is slanted and painted to prevent ricocheting and chipping.

The range is to be used by all nightriders, day process servers and all jail employees, in addition to members of the Edwardsville police department.

The range is being built with labor donated by interested individuals and the steel backing, weighing a ton, was donated by Granite City Steel Co. "This saved a bit of expense to the county," the sheriff noted.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

Cottage Prayer Meetings To Be Held Next Week

Cottage prayer meetings will be conducted by Calvary Baptist Church in all parts of Granite City on Oct. 11-15, inclusive. The meetings are in preparation for a two-week revival which will be held Oct. 18-29.

The Women's Missionary Union, under the direction of Mrs. Henry Moore, will secure the homes of WMU members and the brotherhood will supply speakers for each evening. It also will be the responsibility of the brotherhood to furnish transportation where needed. All persons interested in attending the meetings are asked to call the church office, TR 7-0066.

Three Suits Filed
Madison Auto Parts Inc. has filed three suits in Madison county circuit court to collect amounts due for materials sold and delivered. The defendants and amounts involved are Wade Ramsey of Madison, \$325; Tracy Bradley of Granite City, \$500; and Leon Mitchell of Granite City, \$220.

Practical Nurse Applicant Interviews are Scheduled

Pre-entrance applications currently are being accepted from area residents between the ages of 17 and 55 years who are interested in becoming licensed practical nurses. Qualified individuals who are accepted will begin a new course Jan. 13 at the F. W. Olin Vocational School of Practical Nursing, Alton.

Close affiliation is maintained with the vocational training school program by the staff of St. Elizabeth Hospital, one of several participating institutions.

Interviews for prospective students will be held at the school on Tuesday and Wednesday, Nov. 2 and 3, and on Friday, Nov. 5, it was announced today by Mrs. Dorothy Scifres, newly-appointed practical nurses' coordinator for the Alton school.

She added that interviews will be conducted by appointment only weeks of individual combat training with the 2nd Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

The 20-day course included 200 hours of rigorous instruction in small unit tactics, night combat, firing weapons under simulated combat conditions and other subjects related to the Marine infantryman.

Other qualifications required of prospective students, include: completion of at least two years of high school, personal references, favorable interview, good health, and a satisfactory performance in the pre-entrance test. Testing dates will be announced at the time of the interview, Mrs. Scifres said.

Youngs Wins Award At Toastmasters

Granite City Toastmasters named Charles Youngs the recipient of a weekly speaking award for his topic, "Take Care of Yourself," which he presented at the club's dinner meeting Monday evening, in the Grand Cafe.

Dr. Emil Strotheide served as toastmaster and James Dimitroff as the general evaluator. Also speaking on the program was Dr. Claude Hiles, who chose as his subject, "Medical Emergencies."

A general discussion conducted during the dinner hour centered on the Pope's recent visit to the United Nations and its possible results in the cause of world peace. Ten members were present for the dinner and business meeting.

2 Area Women Given Five Years Probation

Mrs. Donna K. Ball, 23, of 2015 Washington avenue, and Miss Janie Bates, 23, of 512 Third street, Venice, were placed on five years probation on robbery charges Monday by Associate Judge James W. Gray at Belleville.

They pleaded guilty on Aug. 31 to robbing Amos Harris of Marissa of \$2 and taking his car after he gave them the car while they were hitchhiking from New Athens last Feb. 11.

Youth Fined \$50, Costs

Richard Lee Buckingham, 18, of 1929 State street, pleaded guilty to a disorderly conduct charge Monday afternoon and was fined \$50 plus \$5 costs by Magistrate Hiscott. He was arrested Saturday night in front of the Washington theater.

A United Fund Agency

Girl Scouts Build Character and Offer Recreation

Among United Fund agencies offering character building services, as well as a year-round program of recreation and creative achievement, to large numbers is the Quad-City Girl Scout program administered by the River Bluffs Council. The activity among the younger girls of the area is reason enough for the allocation of \$19,000 by the Tri-Cities United Fund to the Girl Scout Council.

The program trains girls to become better home-makers and citizens through activities in nature study, first aid, hobbies, art, home-making and camping. The program recently was revised from the traditional three-age-level division — Brownies, Intermediate and Seniors — to four divisions, Brownies, Juniors, Cadettes and Seniors.

In May of this year there were 1764 girls participating in the program in 96 troops with 224 leaders.

The organization's activities have wide variation. Youngsters of seven and eight—the Brownies—engage in such activities as handicraft, camp cooking, songs and dancing. In the summertime the Brownies participate in projects, such as tree plantings at schools and helping needy or elderly families.

As Girl Scouts, Juniors and Cadettes, they proceed to more advanced projects, including arts and crafts, literature and dramatics, music and singing in their community life. When girls reach high school age they become Senior Scouts, taking complete charge of their own activities including meetings and various projects.

At Christmastime, all Girl Scouters participate in projects to collect and prepare food baskets for distribution to the needy through United Fund Welfare agencies. Some assist in the public libraries, in homes for the aged or as Candy-Stripper volunteers at the hospital.

Frequently they prepare bandages, baby sit for mothers attending PTA meetings, plan parties for a children's home or sing carols at Christmas for hospitalized youngsters.

One of the most enjoyable aspects of Girl Scouting is camping out—most of which is done on the six council-owned troop sites. Most of these are known by colorful Indian names and include: Chanyata camp at Plainfield, Torquar near Edwardsville, La-Rota near Glen Carbon, Harrison at Collinsville, Keck at Millstadt, and Rainbow near Belleville.

This year 261 girls attended a five-day session of camp at Camp Lakota; 35 attended a 12-day camp session of established camp and Camp Outpost; 606 girls went troop camping for a total of 1120 camper nights; eight girls were chosen to be Round-up Campers (these are part of only 36 girls chosen from the entire 1346 girls in the entire council); one girl was chosen to be a Roundup alternate.

Adult leadership is an important adjunct of the Girl Scout program and during the past year four adults attended a Region 7 conference in Chicago; 97 adults received training in troop leadership.

Jumps and Falls Cause Injuries

Mrs. Daisy Yates, 25, of 2831 East 24th street, underwent x-rays at St. Elizabeth Hospital Monday evening after she injured her left foot in a trampoline mishap.

Others treated in the emergency room and released, included Pamela Kay Polach, 3, daughter of Mr. and Mrs. Charles Polach, 3401 Village lane, who cut her chin when she fell from a wooden rocking horse.

Don Mangiaracino, 18, son of Mrs. Rose Mangiaracino, 1716 State street, who had five sutures taken in his left thumb; and Mark Latham, 3, son of Mr. and Mrs. J. W. Latham, 2544 State street, who had two sutures applied to his lower lip after he fell at home.

Tavern Sued for \$5000 For Injuries to Youth
A \$5000 suit has been filed in court at Edwardsville for Dennis Ishum, 20, of Granite City, by his father, Charles Ishum, for the use of the father, against James Evans, doing business as the Evergreen tavern, 2818 N. Madison road.

The complaint alleges that on Oct. 3, 1964, the son was a customer at the tavern where he became intoxicated before he was injured in an auto accident. The father seeks the amount for medical bills and for being deprived of his son's services.

Softgoods Clerks To Meet on New Contract Proposal

A special meeting for about 260 softgoods clerks will be held next Tuesday at 6:30 p.m. in conjunction with a regular meeting of Retail Store Employees Local 435 to consider a new contract proposal. The meeting will be at the Labor Temple.

Miss Hetty Sheppard, secretary-treasurer of the union, said the new contract proposal was made this week by officials of the Associated Retailers & Civic Association. She declined to disclose details.

The two-year contract for the softgoods clerks expired last Friday.

Faces License Charge Following Accident

Two autos were damaged and one motorist was arrested in Venice at 4:45 p.m. Monday as the result of a collision at Fourth street and Broadway. Police arrested Henry Boyd, 77, of 1012 College avenue, on a charge of driving without a driver's license after Boyd's car struck the rear of one driven by Ira D. Laster, 33, of 2577 Iowa avenue.

Laster said he stopped at a stop sign when his car was struck. Boyd posted \$25 cash bail pending a hearing Oct. 14.

The council has estimated a total 1966 budget of \$108,100, with \$87,600 scheduled to come from sources outside the United Fund. The agency requested a United Fund allotment of \$20,500, but an allocation of \$19,000 has been approved. In 1964, actual total expenditures amounted to \$88,700 with \$17,000 from the local United Fund.

September Parking Meter Fines Highest in 4 Years

A clamp-down on parking meter violations during September produced the largest collection of fines in any single month since August 1961—a total of \$482, according to a report by Comptroller John Doohar.

Fees during the month, however, amounted to only \$373 making a total of \$2313 income in September in fines and fees. The collection of fines was \$240 in August and fines amounted to \$288, making total income of \$328 for that month.

The largest previous collection of fines for any single month this year was in June when \$344 in fines was collected. Fee collections that month were \$3543, making a total of \$3887 in fines and fees for the largest monthly collection this year.

The \$482 in fines collected during September was exceeded in August 1961 by a collection of \$487 in fines. Since that time, however, fine assessments have not exceeded the \$344 collection made in June this year, or the \$487 collected last month.

Total collections of \$213 in September brought to \$28,070 the total amount of fines and fees collected during the nine months of the year. With 25 operating days during September, the daily average income from parking meters was \$128.

City Pays \$1545 To Settle Suit Filed for \$20,000

A \$20,000 lawsuit against the city, resulting from a sidewalk fall on April 18, 1964, was settled for \$1545 Monday night when Granite City council members approved the payment.

The suit had been filed by Mrs. Mamie Kohlbrecher, 2255 State street, a widow, who suffered a fracture at her right knee in a fall on defective sidewalk along 23rd street between Madison avenue and Iowa street.

A court hearing had been scheduled for last May when a new attorney entered the case for the plaintiff, and a delay until October was granted the city at that time.

In other miscellaneous business Monday night, the council accepted an agreement for joint sidewalk replacement project on 24th street and on Grand avenue at the First Assembly of God Church.

It was estimated the church's share of the project will amount to \$580, while the city will pay \$445, with all the work to be carried out by the contractor for the city, Thomas Skerle. Nearly 500 lineal feet of sidewalk is to be replaced.

No Sidewalk There
Alderman Sternberg, chair-

**Airman Gettit Graduates
From Air Force School**
Airman Second Class Thomas F. Pettit, son of Mr. and Mrs. Paul B. Pettit, 2028 Dale avenue, has been graduated from the technical training course for U. S. Air Force bomb navigation systems mechanics at Lowry AFB, Colorado.

Airman Pettit, who will be assigned to Mather AFB, Calif., becomes a member of the Strategic Air Command which maintains America's constantly alert force of intercontinental missiles and jet bombers.

man of the Street committee, said a search failed to locate a section of sidewalk that was believed to exist in the 2500 block of Poplar street. "The street department probed, but there's no sidewalk there," the chairman reported.

Purchase of two chain saws for the street department from Hays's Small Engine Co. was approved on a bid of \$149.95 each. The other bid was \$163.30 by Collinsville Boat & Motor Co.

The Street committee was asked by Mayor Partney to study the prospects of obtaining a bid for 100-pound sacks of salt from a St. Louis firm that might save the city 18 cents per sack.

Placed on file was a letter from City Atty. Allen giving his opinion that inclusion of an amount for a salary increase in the city budget does not require the council to grant the increase.

Allen ruled that appropriations listed in the budget need not necessarily be spent. Several city employees were not included in the ordinance granting pay increases to the police, fire and street departments. The pay boost ordinance was adopted after the budget had been passed with a general figure of \$45,000 included for pay increases.

FIRST CALLS from the new Southwestern Bell Telephone exchange, which began operation this week, were made by Pontoon Beach President Thomas Stal-

cock (left) and State Rep. Lloyd C. Harris. Rep. Harris talked to relatives in Rochester, Minn., over the speaker and receiver pictured.

Council Rejects Request for 2 School Crossing Guards

School crossing guards again attend the session, made an emotional appeal for the two guard assignments.

A request by 250 petitioners for guards on Benton street at Oregon avenue and on Fehling road at State street was rejected Monday night, and a request by the Niedringhaus PTA, to be given per diem to be raised to \$8 was referred to the Personnel and Finance committees.

Seventh Ward Alderman R. E. Robertson, who had returned from the Illinois Municipal League convention in Peoria to debated.

Amendment Loses
First the council voted down an amendment that the guards be hired only on recommendation of the Traffic Study Commission. Only nine aldermen were present by a vote of 4-to-5.

The vote on the motion for the hiring also was 4-to-5. Voting for the guards were Aldermen Johnson, Dallas, Parmley and Robertson. Opposing were Rutledge, Whitmer, Sternberg, Thompson and Fry.

Petitions signed by 250 residents of the area requesting the guards were placed on deferment to a later meeting on motion by Robertson. Mrs. Fleishman asked the council to reconsider the action at an early date. She pointed out that both guards would be stationed at curves in the roadway where there is heavy, high-speed traffic.

Cars Run Through Stop
She pointed out the Traffic Study Commission had removed the school stops at the two crossings and two days later had them reinstalled. "I've watched the signs at school time one afternoon and counted 110 cars. Less than half of them observed the school signs with a full stop."

Alderman Robertson pointed out that school patrols have not been capable of doing a proper job at the crossings. "Small children need to be protected, and the council doesn't want the responsibility of children being injured."

When asked by Alderman Fry if the Traffic Commission had approved the guards, Robertson

added. Former Alderman Samuel Shackelford was spokesman for the crossing guards in requesting an \$8 per day salary instead of the present \$6. He pointed out the men work split hours in the morning, at noon and in the afternoon, but that it was like putting in an eight-hour day.

Youth Focus

COLLEEN ROBERTSON

Miss Robertson Named Roca Fall Sweetheart

Colleen Robertson, daughter of Mr. and Mrs. Randall Robertson, 2814 State street, has been selected as the Roca Club Sweetheart for the fall season.

A junior at Granite City high school, she is a member of the Girls Athletic Association, Tri-Hi-Y and the Cantando Girls Glee Club.

As the sweetheart, she will serve as hostess at all Roca social events during the season.

Homesick Students Get Hungry for Home News

Homesick undergraduates are regular users of current newspapers at the Southern Illinois University library at Carbondale where preparations are being made to observe National Newspaper Week next week, according to Ferris S. Randall, librarian.

The library receives 169 newspapers which are available in the study lounge of the library for the researcher in current events or the youth who is hungry for news of his home town. There are 82 papers from Illinois publishers, "and we would like to have at least one paper from each county," Randall said. The university has students from every county in the state.

Pointing out the value of newspapers to historians and other social science scholars, Randall said the university has spent

COL. RUSSELL STRANGE

Col. Strange Named To Boys' State Group

Col. Russell P. Strange, professor of Air Force aerospace studies at the University of Illinois, has been appointed to the American Legion Premier Boys' State Commission by Joseph C. Murphy of Chicago, Illinois department commander of the Legion.

Strange has worked at Boys' State for the past two years as assistant dean of counselors. In 1939 he attended Boys' State under sponsorship of Venice-Madison American Legion Post 307 of which he is a member. His parents, Mr. and Mrs. R. E. Strange, live in Madison.

The colonel is an alumnus of the U. of I. where he heads the Air Force ROTC unit. The commission promotes operation and continuance of the Boys' State program to develop good citizens by inspiring the youth of Illinois to take more active and intelligent interest in operation of government.

Lopez Goes by 'Copter To Train as Army Pilot

Michael Lopez, son of Mr. and Mrs. Stephen J. Lopez, 203 Grandville street, Venice, was sworn in as a warrant officer candidate in the Army's aviation program Monday, prior to his departure by helicopter from the Granite City Army Depot parade grounds.

He is the first Quad-Cityan to enlist in the Army's new helicopter pilot training program directly from civilian life.

A Press-Record photographer for several years, Lopez was an honor student at Venice high school and has attended the University of Missouri, Columbia. He also has been active in several youth organizations and was among the first of the Youth Focus correspondents.

He is expected to take his basic Army training at Fort Leonard Wood, Mo., and on completion will receive an automatic promotion to Sergeant E-5. Lopez

will then enter pre-flight school at Fort Worth, Tex., for about 16 weeks and take his primary flight training at Fort Rucker, Ala.

Upon graduation he will receive his pilot's wings and a warrant officer commission in the USAF.

Piloting the helicopter from Granite City to Lambert Airport, St. Louis, Monday, was Lt. Thomas Baria, side-deck camp to Brig. Gen. Howard Schultz, who also conducted the swearing in ceremony.

Careless Driving is Charged in Accident

A verdict of criminal carelessness was returned by a St. Louis coroner's jury Monday afternoon against Mrs. Effie Evelyn Hulce, 44, of 1151 Edwardsville road, as the result of an automobile accident Sept. 26 in which a motorist was fatally injured.

According to St. Louis police, Mrs. Hulce's car swerved into an automobile driven by Joseph Drohr, 45, of St. Louis county, in the 1200 block of Broadway, resulting in fatal injuries to Mr. Drohr and the injury to his wife. Both cars were headed in the same direction when the accident occurred.

At the time of the accident police arrested Mrs. Hulce on a charge of carrying a concealed weapon, an automatic pistol which police said she had in her purse.

The coroner's office said the verdict would be referred to the circuit attorney's office for issuance of formal charges.

Stop Sign Charge Filed

Raymond E. Switzer III of Edwardsville was arrested at 5:30 p.m. Monday on a charge of passing a stop sign at West 22nd street and Missouri avenue. He was summoned for a hearing by Oct. 15.

DON ADAMS DEAN MAYBERRY

VISITING SEMINARY DEAN, the Rev. B. H. Jackayya, (right), a native of India, who was guest speaker this week at Hope Lutheran Church. He is shown with Vicar Donald Tanner (left), and Charles Knecht, before the new church building.

Rev. Jackayya Relates Poverty in India

The Rev. B. H. Jackayya, a native of India and dean of Concordia Seminary in Nagercoil, India, delivered the sermon at the Mission Festival services this week at Hope Lutheran Church, beginning a month of special services marking Rededication Month for the congregation.

Rev. Jackayya pointed out that though the Christian in India is still a small minority and most of the people very poor, and that about 50 per cent on the average, the church is making an impact on the life of the nation.

While the established and older church bodies have rather large church buildings in India, he commented, many of the congregations do not have the resources to erect such buildings and meet in homes or outdoors. Dean Jackayya, who is on an exchange study-teaching program at Concordia Seminary, St. Louis, toured the Chain of Rocks Canal locks while he was here.

Bills, Salaries For Granite City Total \$179,518

A \$142,638 bill list and \$36,879 half-month payroll were approved Monday night by Granite City council members. The total was \$179,518.

Largest item on the bill list was a \$121,636 payment from the revenue bond issue for construction of the city's sewage treatment plant being built at the Granite City Army Depot. The payment was for construction estimate No. 10 submitted by Nelson Construction Co.

For inspection and engineering services at the construction site, the firm of Sheppard, Morgan & Schwaab was paid \$350.

Sidewalk and curb replacement during October totaled \$4757 paid to Thomas Skerle under contract with the city. A. H. Seebold Co. was paid \$2086 for 44 feet of 10-inch corrugated pipe, 350 pounds of one-inch rock, 365 feet of expansion joints and 133 cubic yards of ready-mix concrete.

\$961 to Survey Dump

Among the miscellaneous bills were \$961 paid to Sheppard, Morgan & Schwaab engineering firm for a survey of the city dump; \$1470 paid to East St. Louis & Interurban Water Co. for September rental on 355 fire hydrants; \$5547 to the Illinois Municipal Retirement Fund as the city's share for employee retirement, and \$79 paid to Grand Cafe for 106 meals for city jail prisoners in September.

Additional \$150 allowances for city officials who attended the Illinois Municipal League convention in Peoria were on the bill list. The allowances were for Aldermen R. E. Robertson and Clyde Boyd, City Clerk Homer Pendleton, Treasurer E. R. Rich and Street Supt. William Warfield.

Last week similar \$150 allowances were approved for Aldermen Edmund Bartosiak, Steve Basarich, Claude Green, Walter Noren and Roy Poulos.

Also on this week's bill list was the \$30 monthly expense allowance for September for Alderman Bartosiak.

GC Township Bills of \$8886 Ok'd by Council

Granite City township disbursements of \$8886, including \$7791 for relief and \$1095 for town purposes, were approved Monday night by Granite City council members in their capacity as the town board of auditors.

The town meeting was held in advance of the regular city council session, and the council members conferred briefly with Town Atty. William Schooley on a tax objection settlement by East St. Louis & Interurban Water Co.

Schooley said he will confer with representatives of the city, school district and park district as well as State Atty. Joseph Bartylak and submit a report at a later date.

The relief disbursements of \$791 included \$329 for hospitalization, nursing home and medical care; \$302 for food; \$331 for rent; \$350 for transportation for a transient; \$11 for power bills; \$50 reimbursement to Collinsville township; and administrative costs of \$250 for salaries, \$100 for office rent, \$25 for postage and \$2 for a fire extinguisher refill.

Town fund disbursements were \$75 for assessor office rent, \$857 for salaries; \$25 for utilities, \$10 for janitor service, \$1 for office supplies and \$120 paid to Richard Reber, deputy assessor.

A monthly financial report submitted by Supervisor Nelson Hagnauer showed a \$131,752 balance in the relief fund on Sept. 30. Receipts from taxes and reimbursements from other townships amounted to \$130,538, and disbursements during September amounted to \$12,755.

In the town fund, the Sept. 30 balance was \$29,718, after disbursements amounted to \$2953.

Parking Charge

Edward Kleehammer, 3005 Kirkpatrick Homes, was charged with parking in an alley at the rear of 4465 Kirkpatrick Homes Monday afternoon.

DRESSING A BABY demonstrated by Mrs. Kenneth Wohlford of Edwardsville at a final medical self help class this week at Lee Wright Homes, Venice. Left to right are Mrs. Gertha Dozier, Mrs. Wohlford, Mrs. Bernice Lusk and Mrs. River Reed. The classes, attended by 22 women, were sponsored by the University of Illinois Cooperative Extension Service and Madison County Public Aid.

25 Seats Available For MU-UCLA Game

Twenty-five reservations still remain for a chartered bus trip Saturday to Columbia, Mo., for the Missouri U. and UCLA football game, Harold Brown, Granite City park superintendent reported today.

Tickets for the game cost \$5 each, the park official said, plus a \$4 charge for round-trip transportation. Reservations may be made today or tomorrow by calling the Wilson Park office at TR 7-3659.

Two buses will leave the park office area simultaneously at 9:30 a.m., Saturday, returning here about 8 p.m. A meal will be available to passengers at Columbia immediately before the game.

A similar excursion to a University of Illinois football contest may be planned this fall, if a sufficient number of persons indicate interest in the project, Brown said.

Cars Damaged in Mishap

Autos driven by Louis Bolt, 1619 Delmar avenue, and Pam Bader, 3268 Willow avenue, were

damaged in an accident at 8:45 p.m. Monday at Madison and Niedringhaus avenues.

Youth to Work 14 Days To Pay \$70 in Fines

Charles Littlejohn, 2801 Lincoln avenue was fined a total of \$70, including costs after pleading guilty to charges of driving with no title, no registration, improper muffler and improper lights. He is to work out the fine for 14 days. He was arrested Saturday at Jill avenue and Nameoki road. He appeared Monday afternoon before Magistrate Hiscott.

EASTGATE PLAZA • EAST ALTON, ILL.
OPEN DAILY TIL 9 P.M.; SUNDAY 1 TIL 5
And In Edwardsville Across from Courthouse

This is Holiday Lake

(If you wait till it's filled,
you're in for a big disappointment)

Here just north of Edwardsville on the East Side, specialists who have put in 44 other such developments are creating a 400-acre lake with more than 12 miles of picturesque shoreline.

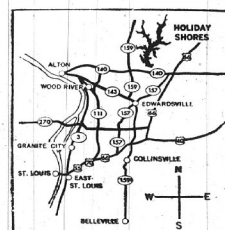

Around this lake, they're building a private resort community that's the only one of its kind within a hundred miles. Here you can fish, boat, swim, or just relax in carefree privacy, less than an hour from almost anywhere in the metropolitan area. Holiday Shores can be your home for a weekend, a vacation or for year-round living, with all the conveniences of the city close by.

So where's the disappointment?

Well, 493 families already have bought their lots in Holiday Shores. If you wait till the dam is finished and the lake is full, and the boat docks and beaches and recreation facilities are in, you may find the lot you would like to have is sold. (And all lots will definitely cost more then.)

The way out is to drive up to Holiday Shores today, or tomorrow sure, and pick your lot now, at the predevelopment price.

Don't say we didn't tip you off.

In Memoriam 33

In loving memory of CONNIE E. HALBROOK, OCT. 6, 1902. The face I loved is now laid low, His loving voice is still; the hand so often clasped in mine, Lies now in death's cold chill. I often sit and think of him, When I am all alone; For memory is the only thing that grief can call its own. Sadly missed by Wife (Opal), Sons and Family. 33-10-7

In loving memory of EMMET G. HURRY, one year and Oct. 7, 1964. Nothing can ever take away, The love a heart holds dear, Fond memories linger every day, Remembrance keeps him dear. Sadly missed by Wife, Son and Family. 33-10-7

Kiwanis Hear Workings Of Local C. of C. Office

The Granite City Kiwanis are completing plans for their annual peanut sale to start at 8 a.m. Friday, Oct. 15, and continue all day Saturday, Oct. 16.

About 20 Kiwanis and their wives will be in strategic places in the community during the two-day sale, including the downtown business district and the Nameoki Village and Bellemore shopping centers.

The proceeds will be used to finance numerous youth programs sponsored by the local service club. Recently, a portion of last year's profits was allocated for a \$250 scholarship which was presented in an accident at 8:30 a.m. Tuesday at 21st and Iowa streets.

21st-Iowa Accident
Autos driven by Laura J. Scarborough, 2900 Indiana avenue, and Jackie Kampman, 122 Kerr street, Venice, were involved in an accident at 8:30 a.m. Tuesday at 21st and Iowa streets.

Car Damages Grass
An auto ran off of the road and down a ditch at 12:30 a.m. Wednesday at 2605 Pontoon road, damaging grass on city property between the sidewalk and the street. The car left the scene with no apparent injuries to occupants.

\$4,050,000 Raised for Children's Hospital
The building fund of St. Louis Children's Hospital has achieved its goal of \$4,050,000, it was announced today by W. Ashley Gray Jr., building fund chairman.

Gray, president of General Steel Industries, Granite City, and a trustee of the hospital, said the goal was achieved through a \$2 million community-wide fund-raising campaign, a grant of \$295,000 from the National Institute of Health and \$1,405,000 from the hospital's capital fund. Plans call for a 10-story building to be ready for partial occupancy early next year.

Study Juvenile Home Financing

Problems involved in financing and constructing a Madison county juvenile detention home are being studied by citizens in conjunction with the detention home committee of the Madison county board of supervisors.

William Webb of Granite City, committee chairman, has reported that both Con. Melvin Price and Sen. Paul Douglas have told him that federal funds are not available to counties for detention home projects.

No definite action is to be taken until the Southwestern Illinois Metropolitan Area Planning Commission completes a \$35,000 county building needs study now under way. The planning commission is studying all county building needs, both present and future. The proposed detention facility is one facet of the study, which is being financed with federal and county funds.

Theodore Mikesell, SWIMAPC executive director, says results

A cover-all ordinance for non-moving traffic violations, designating 15-foot no-parking zones at all intersections and setting standard fines of \$3 or \$5 for all violations, went on first reading at Monday night's Granite City council session.

The ordinance is designed to permit violators to pay fines by mail or to the police headquarters. The arrest tickets would be envelopes.

Under the proposed law, \$3

of the study should be published about Feb. 1, 1966, with a final report issued two months later. Attention on the lack of a juvenile detention home in Madison county recently has been received due to new legislation, which will make it illegal for juveniles under 14 years to be detained in a public jail after Jan. 14, 1966.

A new juvenile home would be a single building divided into two entirely separate sections, one for delinquent youngsters and the other for those who have been neglected or abandoned.

At present, delinquent children are either not detained, or are put in the Madison county jail. Abandoned or neglected youngsters are now placed in individual homes—or even in a probation officer's home in emergency—until an adequate foster home is located.

Planning for a county juvenile home began as far back as 1938. A standing committee of county board members was named in 1960 to make a study of the county's requirements.

Those studying the issue include circuit judge James O.

Monroe, James Reidelberger, Madison county probation officer, Miss Elizabeth Vernados of the Illinois Department of Public Aid, Attorney Dick H. Mudge, Mikesell, Webb and David Cronin, administrator of children's programs at the Alton State Hospital youth center.

Associate Circuit Judges Michael Kinney and Austin Lewis have analyzed court work involved with both foster home placement and family court procedure, and with the disposition of delinquents after court hearings.

Both Reidelberger and Webb have indicated the project cost of a county detention home might run as high as \$60,000 and that the facility might cost \$90,000 a year to operate. A \$121,000 fund currently is on hand.

Former State's Atty. Mudge's has pointed out that a detention home is a facility designed primarily to temporarily hold delinquent children until their cases are settled in court.

A secondary function of the home is to house abandoned or neglected children until they can be placed elsewhere.

with law or the direction of a police officer or official traffic control device in any of the following places:

"1. On a sidewalk.
"2. In front of a public or private driveway.
"3. Within an intersection.
"4. Within 15 feet of a fire hydrant.
"5. On a crosswalk.
"6. Within 15 feet of a U. S. mailbox.
"7. In a bus zone.
"8. In any zone where parking is prohibited by ordinance and indicated by proper posting of notices.

Crosswalks, Intersections
"9. Within 20 feet of a crosswalk, or if none, then within 15 feet of the intersection of property lines at an intersection of streets.
"10. Within 30 feet upon the approach to any flashing beacon, stop sign, yield right-of-way sign or traffic control signal located at the side of a street.

"11. Between a safety zone and the adjacent curb or within 30 feet of points on the curb immediately opposite the end of a safety zone unless a different length is indicated by signs or markings.

"12. Within 50 feet of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station within 75 feet of the entrance when properly signposted.

"13. Alongside or opposite any street excavation or obstruction when such stopping, standing or parking would obstruct traffic.

No Double Parking
"14. On the street side of any

vehicle stopped or parked at the edge or curb of a street.

"15. Upon any bridge or other elevated structure upon a street or within a street tunnel.

"16. 200 feet of an accident at which police officers are in attendance.

"17. In front of any theater.

"18. In any place or in any manner so as to block immediate egress from any emergency exit or exits conspicuously marked as such buildings.

"19. In any place or in any manner so as to block or hamper the immediate use of an immediate egress from any building escape conspicuously marked as such providing an emergency means of egress from any building.

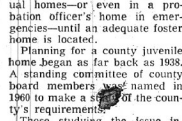

"20. No person shall move a vehicle not lawfully under his control into any such prohibited area or away from a curb such distance as is unlawful.

Alley Restrictions

"21. No person shall park a vehicle within an alley so as to leave less than 10 feet width of the roadway available for the free movement of vehicular traffic.

"22. No vehicle shall be parked with the left side next to the curb or other than parallel with the curb and with the two right wheels within 12 inches of the curb line, except when angle parking is marked.

The ordinance also specifies that except for Sundays or holidays, it will be unlawful to park for a longer period of time than specified between 8 a.m. and 6 p.m.

IT BEATS AS IT SWEEPS AS IT CLEANS. Gets the deeply imbedded dirt that ordinary mops miss. Save now at this low, low price.

Extra large throw-away bag—holds more dirt—change less often!

Vinyl outer jacket—never a dusty odor. Wipe clean with a damp cloth.

A Hoover—the world's finest cleaner.

Cleaner rolls on wheels—gets all the dirt, you just guide it.

HOOVER NEW HOOPER STAINLESS STEEL COFFEE POT

Brews full pot in 10 minutes or two cups in just two minutes. Automatically stops perking, keeps coffee at drinking temperature. Easy grip handle protects fingers. Open sport simplifies cleaning. Full-year Hoover guarantee.

PRICED LOWER THAN NOT \$25 **\$20**

COMPLETELY IMMERSIBLE
